

2001 ASSEMBLY BILL 680

December 7, 2001 – Introduced by Representatives BOYLE, URBAN, LA FAVE, OTT and RYBA. Referred to Committee on Natural Resources.

1 **AN ACT** *to amend* 30.77 (3) (cm) (intro.) and 30.77 (3) (cr) 2.; and *to create* 30.77
2 (3) (ac) 3., 30.77 (3) (cr) 4. and 30.77 (3) (cs) of the statutes; **relating to:**
3 authorizing cities, villages, towns, counties, public inland lake rehabilitation
4 and protection districts, and sanitary districts to enact ordinances relating to
5 the operation of personal watercraft as to location and time.

Analysis by the Legislative Reference Bureau

Under current law, cities, villages, and towns (municipalities) and public inland lake protection and rehabilitation districts and town sanitary districts (districts) may, in the interest of public health, safety, or welfare, enact boating ordinances for lakes that are not contrary to state law. Counties, in the interest of public health, safety, or welfare, may enact boating ordinances that are applicable to rivers subject to their jurisdiction. Under current law, the “interest of public health, safety, or welfare” includes the preservation of the state’s natural resources.

Under current law, municipalities, districts, and counties, in the interest of public health, safety, or welfare, may enact ordinances that restrict the speed of boats and that restrict certain types of boating activities at certain locations and during certain times. This bill specifically authorizes municipalities, districts, and counties to enact ordinances that totally prohibit the operation of personal watercraft or that prohibit their operation during specified hours of the day or specified days of the week if the ordinance is in the interest of public health, safety, or welfare. If a county, municipality, or district enacts such an ordinance, the ordinance must apply to the entire county, municipality, or district.
