February 1, 2001 – Introduced by Representatives SCHNEIDER, MILLER, OWENS, WADE and BOYLE, cosponsored by Senators BURKE and RISSER. Referred to Committee on State Affairs.

AN ACT to amend 101.123 (4) (a) 2., 101.123 (8) (a), 165.755 (1) (b), 757.05 (1) (a), 302.46 (1) (a) and 814.63 (1) (c); and to create 101.123 (1) (dj) and 101.123 (2) (br) of the statutes; relating to: banning smoking in buildings on post–secondary school campuses and providing a penalty.

Analysis by the Legislative Reference Bureau

Current law, with some exceptions, prohibits smoking in public conveyances, inpatient health care facilities, indoor movie theaters, offices and passenger elevators, retail establishments, public waiting rooms, enclosed indoor areas of buildings owned by local or state units of government, motor buses, hospitals, physicians’ offices, day care centers, educational facilities that offer state–approved or state–licensed instruction for training, and any restaurant whose seating capacity exceeds 50 persons and whose receipts from the sale of beer or liquor, or both, amount to 50% or less of the restaurant’s receipts. In some instances, however, a person in charge of an area in which smoking is prohibited, or his or her agent, may designate smoking areas within the area over which the person has charge.

This bill expands coverage of existing law to prohibit smoking in buildings on college, university, and other post–secondary school campuses. The bill also provides that no person may designate smoking areas in buildings on these campuses.
The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
