Subject: Clearinghouse Rule 00-172

Dear Members of the Assembly Housing Committee:

Rep. Sykora has requested a 30-day extension from the DHFS to review the Clearinghouse Rule 00-172, relating to certification for the identification, removal and reduction of lead-based paint hazards and the issuance and registration of certificates of lead-free status and lead-safe status.

This time will be used by the department to make final tweaks and modifications to the rule which have been discussed amongst the department, the apartment associations and the realtors. The rule should be complete very soon.

A hearing will be scheduled on the rule within the next several weeks.

Please let our office know if you have any questions or comments.

Sincerely,

Martha Hess
