EXECUTIVE SESSION

Present: (9) Senators Robson, Grobschmidt, Hansen, Welch, Representatives Grothman, Seratti, Gunderson, Turner and Hebl.

Absent: (1) Senator Cowles.

Moved by Senator Welch, seconded by Representative Gunderson, that, pursuant to section 224.19(5)(b)2., Stats., the Joint Committee for Review of Administrative Rules requests that the department modify those parts of Clearinghouse Rule 00-154 that create a four-day December antlerless only deer hunting season for the 2002, 2003, and 2004 hunting seasons. If the department does not notify the committee in writing by 5:00 p.m. on January 11, 2002 that is willing to consider modifications, the committee objects to these portions of the rule pursuant to section 224.19(5)(d), Stats., and for the reasons specified in section 224.19(4)(d)6, Stats., that is, the rule provisions are arbitrary and capricious.

Ayes: (10) Senators Robson, Grobschmidt, Hansen, Cowles*, Welch, Representatives Grothman, Seratti, Gunderson, Turner and Hebl.

Noes: (0) None.

* voted by polling

Moved by Senator Welch, seconded by Senator Robson, that, pursuant to section 224.19(5)(d), Stats., the Joint Committee for Review of Administrative Rules objects to the part of

Clearinghouse Rule 00-154 that sets the Thursday nearest October 22 as the day in October for the start of the four-day antlerless only deer season, allowing the use of bows and guns, in a special deer herd control hunt. See section NR 10.01(3)(ez)1.a. The committee objects to "start," "g on the Thursday nearest," and "22." The remaining provision, following the objection, is as follows: "A 4-day antlerless only deer season allowing the use of bows and guns in October." This objection is made for the reasons specified in section 224.19(4)(d)6., Stats., that is, the rule provision is arbitrary and capricious.

Ayes: (10) Senators Robson, Grobschmidt, Hansen,
Cowles*, Welch, Representatives Grothman,
Seratti, Gunderson, Turner and Hebl.

Noes: (0) None.

* voted by polling

Moved by Senator Welch, seconded by Representative Turner, that, pursuant to section 224.19(5)(b)2., Stats., the Joint Committee for Review of Administrative Rules requests that the department modify the portion of Clearinghouse Rule 00-154 that authorizes a four-day extension of the early bow season in a special deer herd control hunt immediately prior to the nine-day gun season. See section NR 10.01(3)(ez)1.a. If the department does not notify the committee in writing by 5:00 p.m. on January 11, 2002 that is willing to consider modifications, the committee objects to these portions of the rule pursuant to section 224.19(5)(d), Stats., and for the reasons specified in section 224.19(4)(d)6, Stats., that is, the rule provisions are arbitrary and capricious.

Ayes: (10) Senators Robson, Grobschmidt, Hansen,
Cowles*, Welch, Representatives Grothman,
Seratti, Gunderson, Turner and Hebl.

Noes: (0) None.

* voted by polling

Moved by Senator Robson, seconded by Representative Hebl, that, pursuant to section 224.19(5)(d), Stats., the Joint Committee for the Review of Administrative Rules does not concur in the objection of the Assembly Committee on Natural Resources to the part of Clearinghouse Rule 00-154 that requires gun license deer to be registered in the deer management unit in which the deer was killed or an adjoining unit..

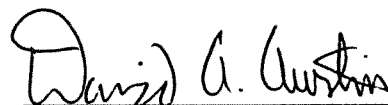

- Ayes: (3) Senators Robson, Grobschmidt and Representative Hebl.
Noes: (7) Senators Hansen, Cowles*, Welch, Representatives Grothman, Seratti, Gunderson and Turner.

* voted by polling

Moved by Senator Welch, seconded by Representative Gunderson, that, pursuant to section 224.19(5)(d), Stats., the Joint Committee for Review of Administrative Rules objects to the part of Clearinghouse Rule 00-154 that requires gun license deer to be registered in the deer management unit in which the deer was killed or an adjoining unit. See section NR 10.106(2)(a). The committee objects to the portions of the rule that are stricken, or created, so that the remaining provision, following the objection, is as follows: "Gun license deer shall be registered within the zone in which the deer was killed no later than 5:00 p.m. of the first day following the season's close. Deer may be transported outside the unit in which it was killed until it is registered." This objection is made for the reasons specified in section 224.19(4)(d)6, Stats., that is, the rule provision is arbitrary and capricious.

- Ayes: (7) Senators Grobschmidt, Hansen, Welch, Representatives Grothman, Seratti, Gunderson and Turner.

EXECUTIVE SESSION

Present: (9) Senators Robson, Grobschmidt, Hansen, Welch, Representatives Grothman, Seratti, Gunderson, Turner and Hebl.

Absent: (1) Senator Cowles.

Moved by Senator Welch, seconded by Representative Gunderson, that, pursuant to section 224.19(5)(b)2., Stats., the Joint Committee for Review of Administrative Rules requests that the department modify those parts of Clearinghouse Rule 00-154 that create a four-day December antlerless only deer hunting season for the 2002, 2003, and 2004 hunting seasons. If the department does not notify the committee in writing by 5:00 p.m. on January 11, 2002 that is willing to consider modifications, the committee objects to these portions of the rule pursuant to section 224.19(5)(d), Stats., and for the reasons specified in section 224.19(4)(d)6, Stats., that is, the rule provisions are arbitrary and capricious.

Ayes: (10) Senators Robson, Grobschmidt, Hansen, Cowles*, Welch, Representatives Grothman, Seratti, Gunderson, Turner and Hebl.

Noes: (0) None.

Moved by Senator Welch, seconded by Senator Robson, that, pursuant to section 224.19(5)(d), Stats., the Joint Committee for Review of Administrative Rules objects to the part of

Clearinghouse Rule 00-154 that sets the Thursday nearest October 22 as the day in October for the start of the four-day antlerless only deer season, allowing the use of bows and guns, in a special deer herd control hunt. See section NR 10.01(3)(ez)1.a. The committee objects to "start," "g on the Thursday nearest," and "22." The remaining provision, following the objection, is as follows: "A 4-day antlerless only deer season allowing the use of bows and guns in October." This objection is made for the reasons specified in section 224.19(4)(d)6., Stats., that is, the rule provision is arbitrary and capricious.

Ayes: (10) Senators Robson, Grobschmidt, Hansen,
Cowles*, Welch, Representatives Grothman,
Seratti, Gunderson, Turner and Hebl.

Noes: (0) None.

Moved by Senator Welch, seconded by Representative Turner, that, pursuant to section 224.19(5)(b)2., Stats., the Joint Committee for Review of Administrative Rules requests that the department modify the portion of Clearinghouse Rule 00-154 that authorizes a four-day extension of the early bow season in a special deer herd control hunt immediately prior to the nine-day gun season. See section NR 10.01(3)(ez)1.a. If the department does not notify the committee in writing by 5:00 p.m. on January 11, 2002 that is willing to consider modifications, the committee objects to these portions of the rule pursuant to section 224.19(5)(d), Stats., and for the reasons specified in section 224.19(4)(d)6, Stats., that is, the rule provisions are arbitrary and capricious.

Ayes: (10) Senators Robson, Grobschmidt, Hansen,
Cowles*, Welch, Representatives Grothman,
Seratti, Gunderson, Turner and Hebl.

Noes: (0) None.

Moved by Senator Robson, seconded by Representative Hebl, that, pursuant to section 224.19(5)(d), Stats., the Joint Committee for the Review of Administrative Rules does not concur in the objection of the Assembly Committee on Natural Resources to the part of Clearinghouse Rule 00-154 that requires gun license deer to be registered in the deer management unit in which the deer was killed or an adjoining unit..

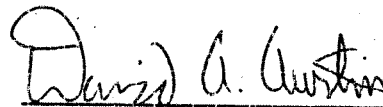

- Ayes: (3) Senators Robson, Grobschmidt and Representative Hebl.
Noes: (7) Senators Hansen, Cowles*, Welch, Representatives Grothman, Seratti, Gunderson and Turner.

* voted by polling

Moved by Senator Welch, seconded by Representative Gunderson, that, pursuant to section 224.19(5)(d), Stats., the Joint Committee for Review of Administrative Rules objects to the part of Clearinghouse Rule 00-154 that requires gun license deer to be registered in the deer management unit in which the deer was killed or an adjoining unit. See section NR 10.106(2)(a). The committee objects to the portions of the rule that are stricken, or created, so that the remaining provision, following the objection, is as follows: "Gun license deer shall be registered within the zone in which the deer was killed no later than 5:00 p.m. of the first day following the season's close. Deer may be transported outside the unit in which it was killed until it is registered." This objection is made for the reasons specified in section 224.19(4)(d)6, Stats., that is, the rule provision is arbitrary and capricious.
