Dear Governor McCallum, President Risser, and Speaker Jensen:

Enclosed is a copy of "The 1999-2000 Inter-District Public School Open Enrollment Program: A Report to the Governor and the Legislature," as required by sec. 118.51 (15) (c), Wis. Stats. The report has been submitted to the chief clerks of each house of the legislature as required by sec. 13.172 (3), Wis. Stats.

Sec. 118.51(15) (c), Wis. Stats., requires the Department of Public Instruction to:

Annually submit a report to the governor and to the appropriate standing committees of the legislature under s. 13.172 (3), on the number of pupils who applied to attend public school in a nonresident school district under this section [the full-time inter-district public school open enrollment program], the number of applications denied and the bases for the denials, and the number of pupils attending public school in a nonresident school district under this section.

This report provides more than the basic information required by statute, including appendices with district-by-district lists of applications to transfer in and out of the district, the number of students who transferred, and the amount of the state aid adjustment for regular education students who transferred under the program.

Sincerely,

Elizabeth Burmaster  
State Superintendent
