

STATE OF WISCONSIN
OFFICE OF THE GOVERNOR

February 19, 2001

The Honorable Gary George
Wisconsin State Senate
State Capitol, Room 118 South
Madison, WI 53702

Dear Senator George:

Enclosed please find a list of outstanding gubernatorial appointments including those individuals appointed to boards, committees, councils and commissions (boards) with terms due to expire this year. This listing is prepared by our office as an informational notification to advise you of potential openings and to let you know which individuals may be considered for reappointment. Also enclosed is a list of board descriptions to give you a synopsis of each board's purpose as well as to identify which person in our office is the main contact.

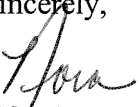

For your convenience, we have enclosed two copies of our "Appointments Fact Sheet" which we ask all applicants to complete. Please feel free to distribute this form to anyone interested in seeking an appointment. The form should be returned to our office along with a current résumé, which should include: name; address; telephone numbers; education and employment background; professional organization affiliations and civic activities; and a list of references. This information is used in the appointments process and as the basis of appointment announcements to the media.

Should you wish to recommend someone for a particular appointment or reappointment, please address your correspondence to Governor McCallum in care of the Appointments Office and mention the specific board for which you are making a recommendation.

If you have specific questions or would like more detailed information on any of the boards listed, please feel free to contact us.

We appreciate your interest in the appointments process and look forward to working with you throughout the year.

Sincerely,

NORA K. WEBER
