Testimony to Senate Committee on Judiciary, Consumer Affairs and Campaign Finance Reform – 3/5/02

Re: AB 495

This bill is similar to legislation that takes guns away from criminals convicted of gun related felonies, and forgery equipment from forgers, in that it will take the computer equipment used in a felony out of the hands of the felon. Right now the law makes no uniform provision state wide for permanent forfeiture of the computer as a criminal tool upon plea agreement or conviction. This bill closes that loophole and mandates it uniformly state-wide. Right now, it is up to each DA and Judge to take action at their discretion. Federal authorities make this condition a part of every sentence and plea agreement. This bill would make it consistent and uniform in every county in Wisconsin. I therefore am in favor of implementation of this bill being enacted.
