(9) No contract for fitness center services may require a buyer who exercises the contractual right to cancel to pay more than a $3 user fee per day of actual use of facilities and services by the buyer during the cancellation period. No contract for weight reduction center services may require a buyer who exercises the contractual right to cancel to pay more than the value of services provided before cancellation.

(10) Any right of action or defense arising out of a contract for center services that the buyer has against the seller is preserved against any assignee of or successor to the contract.

(11) (a) Every contract for center services shall provide that if any of the facilities or services described in the contract become unavailable or are no longer fully operational, before full receipt of the services and use of facilities for which the buyer contracted, the buyer is liable for only that portion of the total consideration proportional to the elapsed time portion of the contract at the time of the unavailability. The buyer is entitled to a refund of any other funds already paid.

(b) A buyer has the option, in lieu of the proportional refund provided in par. (a), to choose to complete the unused portion of the contract including any renewal periods at the price disclosed in accordance with sub. (5) at another location which is owned, controlled, affiliated with or operated by the seller. Any such modification of the contract must be made in writing and may only modify the terms of the contract required under sub. 1. Perform regular maintenance or make prompt equipment repairs.
2. Make improvements to the facilities or services.
3. Replace a facility or service with a superior facility or service.

(12) Every contract for center services shall provide that if the buyer is unable to make use of or receive the center services contracted for because of death or disability, the buyer is liable for only that portion of the total consideration proportional to the elapsed time portion of the contract at the time of the death or disability.

(13) (a) Subject to sub. (8), no center may collect or by contract require a buyer to pay more than $100 for center services before the buyer receives or has the opportunity to receive those services unless the center establishes, for each center location, proof of financial responsibility as described in par. (b).

(b) 1. Except as provided in sub. 3., a center may establish proof of financial responsibility required under par. (a) by maintaining an established escrow account approved by the department for all amounts received from buyers in advance of the receipt of services or by maintaining any of the following commit-

ments approved by the department in an amount not less than $25,000, subject to subd. 2.:
   a. A bond.
   b. A certificate of deposit.
   d. An irrevocable letter of credit.

2. The commitment described in subd. 1. shall be established in favor of or made payable to the state, for the benefit of any buyer who does not receive a refund under sub. (11) (a). The center shall file with the department any agreement, instrument or other document necessary to enforce the commitment against the center or any relevant 3rd party, or both.

3. For 6 or more weight reduction centers owned or operated under the same trade name, the amount of the financial commitment under pars. (a) and (b) for those weight reduction centers is not required to exceed a total of $150,000. For a weight reduction center that submits to the department evidence satisfactory to the department that the weight reduction center collected a total of $50,000 or more but less than $100,000 from buyers of its center services in the previous calendar year, the amount of the financial commitment under pars. (a) and (b) is not required to exceed $10,000. For a weight reduction center that submits to the department evidence satisfactory to the department that the weight reduction center collected less than a total of $50,000 from buyers of its center services in the previous calendar year, the amount of the financial commitment under pars. (a) and (b) is not required to exceed $5,000.

(a) The buyer entered into the contract in reliance upon any false, fraudulent, deceptive or misleading information, representation, notice or advertisement.
(b) The contract does not comply with the requirements of this section.
(c) The seller fails to perform in accordance with the contractual provisions under this section.
(d) The contract contains a provision in which the buyer agrees to waive the requirements of this section.

(15) (a) The department shall investigate violations of this section or s. 100.178 (2) or (4). The department may on behalf of the state:
1. Bring an action for temporary or permanent injunctive or other relief in any court of competent jurisdiction for any violation of this section or s. 100.178 (2) or (4). The court may in its discretion, upon entry of final judgment, award restitution when appropriate to any person suffering loss because of violations of this section if proof of such loss is submitted to the satisfaction of the court.
2. Bring an action in any court of competent jurisdiction for the recovery of civil forfeitures against any person who violates this section or s. 100.178 (2) or (4) in an amount not less than $100 nor more than $10,000 for each violation.

(am) The department may bring an action in circuit court to recover on a financial commitment maintained under sub. (13) against a center or relevant 3rd party, or both, on behalf of any buyer who does not receive a refund due under sub. (11) (a).

(b) In addition to the remedies otherwise provided by law, any person injured by a violation of this section may bring a civil action for damages under s. 100.20 (5). Any person injured by a breach of a contract for center services may bring a civil action to recover damages together with costs and disbursements, including reasonable attorney fees, and such other equitable relief as may be determined by the court.

100.18 Fraudulent representations. (1) No person, firm, corporation or association, or agent or employee thereof, with intent to sell, distribute, increase the consumption of or in any wise dispose of any real estate, merchandise, securities, employment, service, or anything offered by such person, firm, corporation or association, or agent or employee thereof, directly or indirectly, to the public for sale, hire, use or other distribution, or with intent to induce the public in any manner to enter into any contract or obligation relating to the purchase, sale, hire, use or lease of any real estate, merchandise, securities, employment or service, shall make, publish, disseminate, circulate, or place before the public, or cause, directly or indirectly, to be made, published, disseminated, circulated, or placed before the public, in this state, in a newspaper, magazine or other publication, or in the form of a book, notice, handbill, poster, bill, circular, pamphlet, letter, sign, placard, card, label, or over any radio or television station, or in any other way similar or dissimilar to the foregoing, an advertisement, announcement, statement or representation of any kind to the public relating to such purchase, sale, hire, use or lease of such real estate, merchandise, securities, service or employment or to the terms or conditions thereof, which advertisement, announcement, statement or representation contains any assertion, representation or statement of fact which is untrue, deceptive or misleading.

(2) (a) In advertising or otherwise representing the sale or furnishing of any property or services combined with or conditioned on the purchase of any other property or services described in such advertisement or other representation, it is deceptive for a retailer to:

1. Fail to state the price or amount which must be paid for the property or services included in such sale, along with any other condition to the receipt of such property or services, if the advertisement or representation does not refer to the price of the property or services as the “regular price”. The price or amount which must be paid shall be set forth clearly, conspicuously and in such manner that the total price or amount to be paid may be readily ascertained.

2. Sell the property or services at more than the regular price or fail to state any other condition to the receipt of the property or services included in the sale, if the advertisement or representation refers to the price of the property or services as the “regular price”.

3. Mark up the regular price of the property or services which must be purchased.

4. Substitute property or services of inferior value or quality for the property or services which must be purchased.

(b) This subsection does not apply to advertisements or representations concerning custom–made property.

(c) In this subsection, “regular price” means the lowest price for the same quantity and quality of product or the same services, at which the seller or advertiser of the product or services openly and actively sold the product or services in the geographic trade area of the advertisement or representation during the seller’s or advertiser’s most recent and regular 30–day course of business.

(3) It shall be deemed deceptive advertising, within the meaning of this section, for any person, firm or corporation, engaged in the business of buying or selling new or secondhand furs, wearing apparel, jewelry, furniture, pianos, phonographs, or other musical instruments, motor vehicles, stocks, or generally any form of property, real, personal or mixed, or in the business of furnishing any kind of service or investment, to advertise such articles, property or service for sale or purchase, in any manner indicating that the sale or purchase is being made by a private party or householder not engaged in such business. And every such firm, corporation or association, engaged in any such business, in advertising goods, property or service for sale or purchase, shall affirmatively and unmistakably indicate and state that the seller or purchaser is a business concern and not a private party.

(3m) It is deceptive advertising to represent the retailing of merchandise to be a selling–out or closing–out sale if the merchandise is not of a bankrupt, insolvent, assignee, liquidator, adjuster, trustee, personal representative, receiver, wholesaler, jobber, manufacturer, or of any business that is in liquidation, that is closing out, closing, or disposing of its stock, that has lost its lease or has been or is being forced out of business, or that is disposing of stock on hand because of damage by fire, water, or smoke. This subsection does not apply to any “closing–out sale” of reasonable merchandise or any merchandise having a designated model year if the person conducting the sale is continuing in business.

(5) Any person, firm, corporation or association engaged in any business mentioned in sub. (3), or in any other kind of business, whether conducting such business in a store, business block, residence or other building, shall at all times keep a conspicuous sign posted on the outside of his or her establishment and another conspicuous sign in the salesroom, which sign shall clearly state the name of the association, corporation or individual who actually owns said merchandise, property or service which is being
offered to the public and not the name of any other person; provided, however, that the exterior sign shall not be required where the seller has no control over the exterior of the premises where such business is conducted.

(6) All advertising which shows or in any manner relates to the price at which motor fuel is offered for sale at retail, except multiple gallon computers attached to or forming a part of any dispensing equipment shall show only (a) the single gallon unit price including all applicable taxes in one amount or (b) the single gallon product price, the taxes applicable thereto, and the total single gallon unit price including all applicable taxes. In any such advertising, all numerals which represent either price or taxes shall be of a uniform size and color except that fractions of a cent shall be shown in figures one-half the height, width and prominence of the whole numbers.

(8) Every wholesaler and every other person selling or distributing motor fuel in this state shall keep posted in a conspicuous place, most accessible to the public at his or her place of business, and on every pump from which delivery is made directly into the fuel tank attached to a motor vehicle, a placard showing the net selling price per gallon of all grades of motor fuel and the amount of all taxes per gallon thereon. On pumps or other dispensing equipment from which motor fuel is sold and delivered directly into fuel supply tanks attached to motor vehicles, such posting shall be in figures not less than one inch high, except that no such placard shall be required on a computer pump wherein the total net selling price per gallon including all taxes is legibly shown on its face. Except for sales to drivers of motor vehicles used by physically disabled persons under s. 100.51 (5), all sales shall be made at the posted price. Delivery slips shall also show the net selling price per gallon of all grades of motor fuel and the amount of all taxes per gallon thereon. If the wholesaler or person has more than one place of business in this state, the wholesaler or person shall post that placard at all of his or her places of business. All prices posted shall remain in effect for at least 24 hours after they are posted. It shall be considered deceptive advertising to advertise or represent in any manner the price of motor fuel offered for sale at retail to be less than the price so posted on each pump.

(9) (a) It is deemed deceptive advertising, within the meaning of this section, for any person or any agent or employee thereof to make, publish, disseminate, circulate or place before the public in this state in any newspaper or other publication or in any other way similar or dissimilar to the foregoing, an advertisement, announcement, statement or representation of any kind to the public relating to the purchase, sale, hire, use or lease of real estate, merchandise, securities, service or employment or to the terms or conditions thereof which advertisement, announcement, statement or representation is part of a plan or scheme the purpose or effect of which is not to sell, purchase, hire, use or lease the real estate, merchandise, securities, service or employment as advertised.

(b) This section does not apply to the owner, publisher, printer, agent or employee of a newspaper or other publication, periodical or circular, of a radio or television station, who in good faith and without knowledge of the falsity or deceptive character thereof, publishes, causes to be published or takes part in the publication of such advertisement.

(9m) It is deemed deceptive advertising to misrepresent the nature of a local energy resource system under s. 101.175.

(10) (a) It is deceptive to misrepresent the nature of any business by use of the words manufacturer, factory, mill, importer, wholesaler or words of similar meaning, in a corporate or trade name or otherwise.

(b) It is deceptive to represent the price of any merchandise as a manufacturer’s or wholesaler’s price, or a price equal thereto, unless the price is not more than the price which retailers regularly pay for the merchandise. The effective date of this subsection shall be January 1, 1962.

(10m) It is deceptive or misleading advertising for a person who sells new motor vehicles to compare new motor vehicle selling prices, including the offered prices or the actual sale prices, to the manufacturer’s suggested retail price for that vehicle unless it is clearly and conspicuously disclosed that the latter price is a manufacturer’s suggested retail price and may not represent actual sale prices.

(10r) It is deceptive and misleading for a person who is conducting business in a community or region from a location outside that community or region to use the name of the community or region, or other description of the community or region, in the corporate or trade name of the business or in any other information that is published if the use of the name or description of the location creates the misrepresentation that the business is located in the community or region.

(11) (a) The department of agriculture, trade and consumer protection shall enforce this section. Actions to enjoin violation of this section or any regulations thereunder may be commenced and prosecuted by the department in the name of the state in any court having equity jurisdiction. This remedy is not exclusive.

(b) 2. Any person suffering pecuniary loss because of a violation of this section by any other person may sue in any court of competent jurisdiction and shall recover such pecuniary loss, together with costs, including reasonable attorney fees, except that no attorney fees may be recovered from a person licensed under ch. 452 while that person is engaged in real estate practice, as defined in s. 452.01 (6). Any person suffering pecuniary loss because of a violation by any other person of any injunction issued under this section may sue for damages therefor in any court of competent jurisdiction and shall recover twice the amount of such pecuniary loss, together with costs, including reasonable attorney fees, except that no attorney fees may be recovered from a person licensed under ch. 452 while that person is engaged in real estate practice, as defined in s. 452.01 (6).

3. No action may be commenced under this section more than 3 years after the occurrence of the unlawful act or practice which is the subject of the action. No injunction may be issued under this section which would conflict with general or special orders of the department or any statute, rule or regulation of the United States or of this state.

(c) 1. Whenever the department has reason to believe that a person is in possession, custody or control of any information or documentary material relevant to the enforcement of this section it may require that person to submit a statement or report, under oath or otherwise, as to the facts and circumstances concerning any activity in the course of trade or commerce; and execute in writing and cause to be served upon such person a civil investigative demand requiring the person to produce any relevant documentary material for inspection and copying.

2. The department, in exercising powers under this subsection, may issue subpoenas, administer oaths and conduct hearings to aid in any investigation.

3. Service of any notice by the department requiring a person to file a statement or report, or service of a subpoena upon a person, or service of a civil investigative demand shall be made in compliance with the rules of civil procedure of this state.

4. If a person fails to file any statement or report, or fails to comply with any civil investigative demand, or fails to obey any subpoena issued by the department, such person may be coerced as provided in s. 885.12, except that no person shall be required to furnish any testimony or evidence under this subsection which might tend to incriminate the person.
the department, may commence an action in circuit court in the name of the state to restrain by temporary or permanent injunction any violation of this section. The court may in its discretion, prior to entry of final judgment, make such orders or judgments as may be necessary to restore to any person any pecuniary loss suffered because of the acts or practices involved in the action, provided proof thereof is submitted to the satisfaction of the court. The department and the department of justice may subpoena persons and require the production of books and other documents, and the department of justice may request the department to exercise its authority under par. (c) to aid in the investigation of alleged violations of this section.

(e) In lieu of instituting or continuing an action pursuant to this section, the department or the department of justice may accept a written assurance of discontinuance of any act or practice alleged to be a violation of this section from the person who has engaged in such act or practice. The acceptance of such assurance by either the department or the department of justice shall be deemed acceptance by the other state officials enumerated in par. (d) if the terms of the assurance so provide. An assurance entered into pursuant to this section shall not be considered evidence of a violation of this section, provided that violation of such an assurance shall be treated as a violation of this section, and shall be subjected to all the penalties and remedies provided therefor.

(12) (a) This section does not apply to the insurance business. (b) This section does not apply to a person licensed as a broker or salesperson under s. 452.09 while that person is engaged in real estate practice, as defined in s. 452.01 (6), unless that person has directly made, published, disseminated, circulated or placed before the public an assertion, representation or statement of fact with the knowledge that the assertion, representation or statement of fact is untrue, deceptive or misleading.

Cross-reference: See s. 136.001 (2) concerning future service plans.

Sub. (1) applies to oral representations made in private conversations to prospective purchasers. State v. Automatic Merchandisers of America, Inc. 64 Wis. 2d 659, 221 N.W.2d 683 (1974).

A complaint alleging deceptive advertising contrary to sub. (1) stated a cause of action not only against the corporate defendant but against its officer personally when the complaint’s use of the word “continue” indicated reference to both past and future conduct and use of the word “defendants” referred to both the corporation and its officer. State v. Advance Marketing Consultants, Inc. 60 Wis. 2d 700, 225 N.W.2d 887 (1975).

Sub. (2) is constitutional. State v. Amoco Oil Co. 97 Wis. 2d 226, 293 N.W.2d 487 (1980).

The state may join as parties defendant assignees of contracts allegedly obtained by deceptive practices, even though the assignees did not engage in deception. State v. Excel Management Services, 111 Wis. 2d 479, 331 N.W.2d 312 (1983).

A consumer is protected from untrue, deceptive, or misleading representations made to promote the sale of a product. Advertising need not be involved. Bonn v. Haubrich, 123 Wis. 2d 168, 366 N.W.2d 503 (Ct. App. 1985).

Subs. (1) and (9) (a) require that a complaint do more than merely state that there were incentives to sell more expensive product; it must allege instance of prohibited conduct with intent to mislead a consumer. State v. American TV, 146 Wis. 2d 292, 430 N.W.2d 709 (1988).

The statute of limitations under sub. (11) (b) 3. commences at the time of the act or transaction, not on the date of discovery. Skrupky v. Elbert, 189 Wis. 2d 311, 526 N.W.2d 264 (Ct. App. 1994).

When a claim of negligent representation was fully tried, it was not necessary that a claim under this section should have been pleaded in order for the plaintiff to assert a post-verdict claim for attorney fees under sub. (11) (b) 2. Gorton v. American Cyanamid Co. 194 Wis. 2d 203, 533 N.W.2d 746 (1995).

An award of reasonable attorney fees under this section belongs to the person suffering the pecuniary loss, not the attorney. **100.201**  Unfair trade practices in the dairy industry.

(1) **Definitions.** Unless context requires otherwise:

(a) “Broker” means any person engaged in negotiating sales or purchases of selected dairy products for or on behalf of a retailer or wholesaler or both.

(b) 1. “Retailer” means every person making any sale of selected dairy products at retail within this state unless otherwise excepted; provided, that in the case of a person making both sales at retail and sales at wholesale such term shall apply only to the retail portion of such sales.

(c) “Retailer” does not include the United States, the state, any municipality defined as in s. 345.05 (1) (c), or any religious, charitable or educational organization or institution, but does include any other person engaged in the business of...
making retail sales wholly or in part for the person’s own profit at an institution operated by such an exempt party.

2. For the purpose of this section any subsidiary or affiliate corporation, limited liability company or cooperative, and any officer, director, partner, member or manager of a corporation, cooperative, partnership or limited liability company which is a retailer of selected dairy products, and any individual, corporation, cooperative, partnership, limited liability company, association or any other business unit which owns, controls or franchises any retailer or which has any retailer as an affiliate, member or subsidiary, is deemed to be a retailer of selected dairy products and the prohibitions of sub. (2) shall also apply to any such person or business unit which sells any selected dairy product at wholesale.

(c) 1. “Selected dairy products” means:
   a. Milk, skim milk, fortified milk, flavored milk, flavored skim milk, buttermilk, cream, sour cream, half and half, whipping cream, whipped cream and cottage cheese; and
   b. Ice cream, ice milk, sherbet, custard, water ices, quiescently frozen ices and frozen dessert novelties manufactured from any such products.

2. The department may by rule, after hearing, designate as selected dairy products such other products derived in whole or in part from milk as it finds necessary to effectuate the purposes of this section.

3. In no event shall there be designated as selected dairy products any of the following:
   a. Powdered dry milk or powdered dry cream.
   b. Condensed, concentrated or evaporated milk in hermetically sealed containers.
   c. Butter or cheese, other than cottage cheese.

(d) “Sell at retail,” “sales at retail” and “retail sales” include any transfer for a valuable consideration made in the course of trade or conduct of the seller’s business, of title to tangible personal property to the purchaser for consumption or use other than resale or further processing or manufacturing, and include any transfer of such property where title is retained by the seller as security for the payment of the purchase price.

(e) “Sell at wholesale,” “sales at wholesale” and “wholesale sales” include any transfer for a valuable consideration made in the course of trade or conduct of the seller’s business, of title to tangible personal property to the purchaser for purposes of resale or further processing or manufacturing, and include any transfer of such property where title is retained by the seller as security for the payment of the purchase price.

(f) 1. “Wholesaler” means every person making sales of selected dairy products at wholesale within this state, unless otherwise excepted; provided, that in the case of a person making both sales at retail and sales at wholesale such term shall apply only to the wholesale portion of such business.

2. For the purpose of this section any subsidiary or affiliate corporation, limited liability company or cooperative, and any officer, director, partner, member or manager of a corporation, cooperative, partnership or limited liability company which is a wholesaler of selected dairy products, is deemed to be a wholesaler of selected dairy products.

(1m) APPLICABILITY. This section is applicable to consignment sales and a consignee shall be deemed to be a wholesaler and a consignee to be a retailer for the purposes of this section.

(2) PROHIBITIONS. Each of the practices described in this subsection is declared to be an unfair trade practice. It is unlawful for any person to be engaged in such practices. No wholesaler shall:

   (a) 1. Give or extend discounts or rebates, directly or indirectly, to retailers or other wholesalers on selected dairy products or give or extend to such purchasers any services connected with the delivery, handling or stocking of such products except in accordance with published price lists. A wholesaler may sell selected dairy products at a price different from or with services less than or additional to those in said published price list in order to meet a bona fide offer by a competitor to a particular retailer or wholesaler, but such discount, rebate or service shall not be given until the wholesaler first makes a written record of the date of such competitive offer, the terms thereof, the name of the retailer or wholesaler to whom made and the name of the competitor by whom made. Such record shall be available within this state for inspection and copying by any retailer or wholesaler upon the retailer’s or wholesaler’s written request therefor. It is the duty of every wholesaler under this subsection to prepare and publish as hereinafter provided current price lists giving the prices of all selected dairy products sold by the wholesaler at wholesale, directly or indirectly, to retailers or other wholesalers, including all discounts, rebates and services connected with the delivery, handling or stocking of such products, giving the effective dates of such prices, and giving the amount paid or anything of value given or granted by the wholesaler for such sales made through a broker as commission, brokerage, allowance or other compensation. Such price lists shall be available within this state for inspection and copying by any retailer or wholesaler upon the retailer’s or wholesaler’s written request therefor.

   2. Every wholesaler shall file with the department the address of the wholesaler’s principal business office in this state, if any. If a wholesaler has such a principal business address in this state written request for any record or price list required to be made available under this subsection shall be sent to such business office and the information requested shall be made available there. A wholesaler having no principal business office within this state shall file with the department or a designated agent approved by the department such current records or price lists required to be made available under this subsection. Such current records or price lists shall be available for inspection and copying by any retailer or wholesaler upon the retailer’s or wholesaler’s written request therefor. The failure or refusal of any wholesaler to make available for inspection and copying any record or price list required to be made available under this subsection within 24 hours after a request has been received or to file with the department current records or price lists as required shall be prima facie evidence of a violation of this subsection.

   3. In case of the failure or refusal of any wholesaler to make available or file any record or price list as required by this paragraph, any court of record having jurisdiction shall, upon a showing of such failure or refusal, and upon notice, order said wholesaler to give to the retailer or wholesaler so requesting, within a specified time, an inspection thereof, with permission to make a copy therefrom, or to file such information with the department.

   (b) Discriminate in price, directly or indirectly, between different purchasers of selected dairy products of like grade and quality where the effect of such discrimination may be substantially to lessen competition or tend to create a monopoly, or to injure, destroy or prevent competition with any person who either grants or knowingly receives the benefit of such discrimination, or with customers of either of them. Proof made at any proceeding under this paragraph that there has been discrimination in price shall be prima facie evidence of the truth of such charges. The burden of rebutting such prima facie evidence by a showing of justification shall be upon the person charged with the violation. Nothing in this paragraph shall prevent any person charged with a violation of this paragraph from rebutting such prima facie evidence by showing that the person’s lower price was made in good faith to meet an equally low price of a competitor. Nothing in this paragraph shall be construed to apply to the submission of bids or sales to the United States, the state, any municipality as defined in s. 345.05 (1) (c), or any religious, charitable or educational organization or institution. Nothing in this paragraph shall prevent:

   1. Price differentials which merely allow for differences in the cost of manufacture, sale or delivery resulting from the differing methods or quantities in which such selected dairy products are sold or delivered to such purchasers.
2. Persons engaged in selling selected dairy products from selecting their own customers in bona fide transactions and not in restraint of trade.

3. Price changes from time to time resulting from changing conditions affecting the market for or the marketability of the selected dairy products concerned, including but not limited to actual or imminent deterioration, obsolescence, distress sales under court process, or sales in good faith in discontinuance of business in the selected dairy products concerned.

(c) Make payments of money, credit, gifts or loans to retailers as rental for the storage or display of selected dairy products on the premises where they are offered for sale by the retailer.

(d) Make or underwrite loans to a retailer or become bound in any manner for the financial obligation of any retailer except that a wholesaler may lend money to a retailer for the purchase of equipment for the storage, transportation, and display of selected dairy products, provided the loan is for not more than 90% of the purchase price, bears a maximum of 5% annual interest rate, is payable in equal monthly installments over a period of not more than 48 months, and is secured by a security interest created by a security agreement specifying all payments by the retailer and duly filed by the wholesaler within 10 days after the making or underwriting of said loan, as provided in subch. V of ch. 409 regarding debtors who are located in this state.

(e) Furnish, sell, give, lend or rent any equipment to a retailer except:

1. The wholesaler, under a bill of sale or security agreement describing the property sold and specifying the price and terms of sale duly filed by the wholesaler under subch. V of ch. 409 within 10 days after delivery of the equipment described therein, may sell equipment for the storage, transportation, and display of selected dairy products to the retailer but the selling price shall be not less than the cost to the wholesaler, less 10% per year depreciation, plus transportation and installation costs, plus at least 6%, but in no event shall it be less than $100 per unit. In filing bills of sale under this section, the filing officer shall follow the system of accounting to be used by the department in determining the value of selected dairy products concerned, including but not limited to, raw and processed ingredients, materials, packaging, supplies, maintenance of equipment, selling, advertising, transportation, delivery, credit losses, license and other fees, taxes, insurance, and other fixed and incidental operating expenses and costs of doing business.

3. The department may by rule after hearing adopt a uniform system of accounting to be used by the department in determining the cost of a selected dairy product and to require wholesalers to file reports of such cost based upon such adopted system of accounting.

4. Proof made at any proceeding under this paragraph of a sale or offer to sell, directly or indirectly, any selected dairy product at less than cost as determined by department rule, if adopted, shall be prima facie evidence of a violation of this section. No wholesaler shall renegociate a security agreement which is in default.

5. This paragraph shall apply to all sales, including those made to the United States.

(g) Extend or give credit to any retailer in excess of 30 days payable 15 days thereafter.

(h) 1. Sell or offer to sell, directly or indirectly, any selected dairy product at less than cost with the purpose or intent of injuring, destroying or eliminating competition or a competitor or creating a monopoly, or where the effect may be any of the same. This paragraph shall apply to all sales, including those made to any instrumentality of state or local government and to all religious, charitable or educational organizations or institutions, but does not apply to sales made to the United States.

2. "Cost" of a selected dairy product to a wholesaler means that portion of all of the cost of raw product plus all costs of manufacturing, processing, packaging, handling, sale, delivery and overhead of such wholesaler which, under a system of accounting in accordance with sound accounting principles and reasonably adapted to the business of such wholesaler, is fairly allocable to such selected dairy product and the sale thereof to its customers or to a particular class thereof. Such cost shall include, but not be limited to, all expenses for labor, salaries, bonuses, fringe benefits, administration, rent, interest, depreciation, power, raw and processed ingredients, materials, packaging, supplies, maintenance of equipment, selling, advertising, transportation, delivery, credit losses, license and other fees, taxes, insurance, and other fixed and incidental operating expenses and costs of doing business.
for or in consideration of the furnishing of any service or facility by or through a retailer.

b. Any transaction involving the use of a coupon, token, slip, punch card, trading stamp or other device similar in nature, including any part of a container or package intended to be used as such device, and which transaction involves any participation by or purchase from a retailer.

2. Nothing in subd. 1. prevents:

a. The good faith meeting of competition by offering or making available services and facilities offered or made available by a competitor.

b. Transactions with retailers otherwise permitted under pars. (d), (e), (f) and (g) and sub. (3).

3. Nothing in this paragraph authorizes the sale of selected dairy products, or the furnishing of services or facilities in violation of pars. (a) to (h).

(3) OPERATION OF RETAIL OUTLET BY WHOLESALER. Nothing in this section shall be interpreted to prohibit the operation of a retail outlet by a wholesaler for retail sales or to prohibit the use by the wholesaler in such retail outlet of any equipment or advertising or miscellaneous matter owned by the wholesaler provided that such retail outlet is under direct control and management of the wholesaler.

(4) UNLAWFUL ACTS OF RETAILERS. It is unlawful for any retailer or any officer, director, employee or agent thereof to solicit or receive, directly or indirectly, from or through a wholesaler, broker or another retailer, anything which is prohibited by sub. (2), where the retailer, officer, director, employee or agent knows or, in the exercise of reasonable prudence, should know that the same is prohibited.

(5) UNLAWFUL ACTS OF BROKERS. (a) It is unlawful for a broker, or any officer or agent thereof, to participate, directly or indirectly, in any unfair trade practice described in sub. (2).

(b) It is unlawful for a wholesaler to engage or offer to engage in any unfair trade practice described in sub. (2), directly or indirectly, through a broker.

(6) FEE ON DAIRY PRODUCTS. (a) 1. Except as provided in subd. 2., a manufacturer or processor of selected dairy products shall pay a fee under par. (c) on its sales of those selected dairy products to which all of the following apply:

a. The sales are at wholesale or retail.

b. The sales are made to persons in this state.

c. The selected dairy products are packaged for sale to consumers.

2. Subdivision 1. does not apply to the operator of a retail food establishment licensed under s. 97.30 who manufactures or processes selected dairy products at that establishment solely for retail sale at that establishment.

b. The first person in this state to receive selected dairy products that are manufactured or processed outside of this state and that are packaged for sale to consumers shall pay a fee under par. (c) on sales of those selected dairy products to persons in this state.

c. The fee under this subsection is 5.49 cents per hundred pounds of ice cream products and 0.44 cent per hundred pounds of other dairy products or such other amount as specified by the department by rule. The fee shall be paid to the department by the 25th day of each month for sales made during the preceding month.

(d) The failure to pay fees under this subsection within the time provided under par. (c) is a violation of this section. The department may also commence an action to recover the amount of any overdue fees plus interest at the rate of 2% per month for each month that the fees are delinquent.

(e) The department shall keep confidential information obtained under this subsection concerning the amount of dairy products sold by specific manufacturers and processors.

(7) APPLICABILITY. The provisions of ss. 133.04 and 133.05 shall not apply to any conduct either permitted, required or prohibited under this section.

(8) ENFORCEMENT. It is the duty of the department to investigate, ascertain and determine whether this section or lawful orders issued hereunder are being violated and for such purposes the department shall have all the powers conferred by ch. 93.

(8m) JURISDICTION. This section shall apply to transactions, acts or omissions which take place in whole or in part outside this state. In any action or administrative proceeding the department has jurisdiction of the person served under s. 801.11 when any act or omission outside this state by the defendant or respondent results in local injury or may have the effect of injuring competition or a competitor in this state or unfairly diverts trade or business from a competitor, if at the time:

(a) Solicitation or service activities were carried on within this state by or on behalf of the defendant or respondent; or

(b) Selected dairy products processed, serviced, distributed or manufactured by the defendant or respondent were received for resale in this state at retail or wholesale without regard to where sale or delivery takes place.

(9) PENALTIES. (a) Any person violating this section shall forfeit not less than $100 nor more than $5,000 for each violation.

(b) The department, after public hearing held under s. 93.18, may issue a special order against any person requiring such person to cease and desist from acts, practices or omissions determined by the department to violate this section. Such orders shall be subject to judicial review under ch. 227. Any violation of a special order issued hereunder shall be punishable as a contempt under ch. 785 in the manner provided for disobedience of a lawful order of a court, upon the filing of an affidavit by the department of the commission of such violation in any court of record in the county where the violation occurred.

(c) The department, in addition thereto or in lieu of any other remedies herein provided, may apply to a circuit court for a temporary or permanent injunction to prevent, restrain or enjoin any person from violating this section or any special order of the department issued hereunder, without being compelled to allege or prove that an adequate remedy at law does not exist.

(d) The provisions of s. 93.06 (7) shall be applicable to violations of this section insofar as permits, certificates, registrations or licenses issued by the department for the manufacture, distribution, and sale of selected dairy products are concerned, provided that any suspension or revocation thereof pursuant to s. 93.06 (7) can be ordered only for failure to comply with any special order issued pursuant to par. (b) or with any permanent injunction issued pursuant to par. (c), should such failure continue after such order or such injunction becomes final on the completion of any review proceedings. In such proceedings the department shall follow the hearing procedure set forth in s. 93.18 for special orders. Judicial review shall be as provided in ch. 227.

(e) Any person suffering pecuniary loss because of any violation of this section may sue for damages therefor in any court of competent jurisdiction and shall recover treble the amount of such pecuniary loss, together with costs, including a reasonable attorney’s fee.

(f) Any retailer or wholesaler may file a written verified complaint with the department alleging facts which, if proved, would support a charge that a person named therein is engaging in unfair trade practices as defined in this section. Whenever such a complaint is filed it is the duty of the department to proceed to hearing and adjudication as provided in par. (b).

(g) A final judgment, decree or order hereafter rendered in any civil or criminal action or special proceeding, or in any special order proceeding under par. (b), brought by or on behalf of the state under this section to the effect that a defendant or respondent has violated said law shall be prima facie evidence against such defendant or respondent in any action or special proceeding.
brought by any other party against such defendant or respondent under said law, as to all matters respecting which said judgment, decree or order would be an estoppel as between the parties thereto but this subsection shall not apply to judgments, decrees or special orders entered by consent.

(10) Removal or sale of equipment. Any equipment furnished by wholesalers to retailers prior to August 17, 1963, shall be removed from the retailers’ premises or sold pursuant to sub. (2) (d) or (e) by January 1, 1964. The minimum selling price of such equipment, if fully depreciated in accordance with sub. (2) (e), shall not be less than $10 per unit.

(11) Rule making. The department may promulgate rules which are necessary for the efficient administration of this section. The department also may promulgate rules which set standards for the nondiscriminatory sale and furnishing of services or facilities in connection with the sale or distribution of selected dairy products and for the good faith meeting of competition.

100.202 Contracts in violation void. All contracts and agreements made in violation of s. 100.201 are void.

100.205 Motor vehicle rustproofing warranties. (1) In this section:

(a) “Advertisement” means any oral, written, printed or graphic statement, claim or representation concerning rustproofing which is made in connection with the solicitation or sale of rustproofing.

(b) “Retail customer” means the person for whom rustproofing is ultimately intended.

(c) “Rustproofing” means the application of materials and processes intended or represented to prevent or control rusting or corrosion of a motor vehicle as defined in s. 340.01 (35).

(d) “Seller” means any person who sells rustproofing to a retail customer, including a person who sells a motor vehicle which has rustproofing listed as an element of the total selling price, whether or not ordered by the retail customer.

(e) “Warranted party” means the retail customer or another person to whom warranty rights have been assigned or transferred under the warranty.

(f) “Warrantor” means any person who gives or offers to give a warranty.

(g) “Warranty” means any written representation, made to a retail customer, which asserts that the rustproofing will meet a specified level of performance or duration or establishes conditions under which the warrantor will compensate the retail customer or rectify any failure to meet the specified level of performance or duration.

(2) All rustproofing warranties shall be in writing and contain the following provisions:

(a) The duration of the warranty.

(b) Clear identification of all warrantors and their addresses, the name and address of the person to whom warranty claims are to be made and the place where inspection of the warranted motor vehicle is to be made.

(c) Each condition limiting the warranted party’s rights under the warranty.

(d) The name and address of the insurer of the warranty in the event of the warrantor’s insolvency or bankruptcy.

(3) No rustproofing warranty may contain:

(a) A limit on the number of claims which can be made under the warranty.

(b) A warrantor’s option of returning the purchase price in lieu of other remedies under the warranty.

(c) A limit on the liability of the warrantor for any reason relating to misapplication of the rustproofing product.

(d) An invalidation of the warranty on failure of the retail customer or the seller to register the warranty with the warrantor, if the retail customer or the seller has documentary proof that the rustproofing was paid for.

(e) An exclusion of warranty coverage for manufacturer defects unless the part of the motor vehicle excluded and the basis for exclusion is specified in the warranty.

(f) A limit on the transferability of a warranty during the specified term of the warranty.

(4) Nothing in this section prevents a warrantor from designating a representative to perform duties under the warranty or relieves a warrantor of his or her responsibilities to a warranted party. A representative designated to perform duties under a warranty is not a warrantor unless he or she gives or offers to give a warranty.

(5) (a) No person may make any warranty advertisement which is untrue, deceptive or misleading as provided in s. 100.18.

(b) The specified term of a warranty shall be limited to that period preceding an inspection by the warrantor which is required to maintain the validity or original coverage of the warranty.

(c) Use of “lifetime” or similar terms may not be used in an advertisement or warranty unless the term refers to the motor vehicle receiving the rustproofing and is not limited by the transfer of ownership of the motor vehicle.

(d) No warrantor may fail to have a motor vehicle inspected within 30 days after receiving a claim under the warranty, if the warranted party makes the motor vehicle available for inspection to the warrantor or the warrantor’s designee within that period. The inspection shall be within 30 miles of the place of business of the seller of the rustproofing, unless waived by the warranted party.

(e) No warrantor may fail to notify a warranted party in writing within 30 business days after inspecting the motor vehicle whether the warranty claim will be allowed or denied. If a claim is denied in whole or in part, the reason for that denial shall be stated in writing. Notification is effective on mailing the warrantor’s determination to the last address supplied to the warrantor by the warranted party or on personal delivery to the warranted party.

(f) No warrantor may fail to comply with the terms of its warranty.

(g) No warrantor or seller may impose a charge or require the purchase of any additional service by the warranted party in order to have an inspection completed if the continued validity of the warranty requires the inspection.

(6) Every warrantor shall purchase a policy of insurance covering the financial integrity of its warranties. The policy of insurance shall be on a form approved by the commissioner of insurance under s. 631.20 and shall have the following minimum provisions:

(a) The insurer shall be licensed to do business in this state or shall be an unauthorized foreign insurer, as defined in s. 600.03 (7), accepted by the office of the commissioner of insurance for surplus lines insurance in this state.

(b) Each warranty issued in this state shall be covered by a policy of insurance.

(c) In case of insolvency or bankruptcy of the warrantor, a warranted party may file a claim directly with the insurer.

100.30 Unfair sales act. (1) POLICY. The practice of selling certain items of merchandise below cost in order to attract patronage is generally a form of deceptive advertising and an unfair method of competition in commerce. Such practice causes commercial dislocations, misleads the consumer, works back against the farmer, directly burdens and obstructs commerce, and diverts business from dealers who maintain a fair price policy. Bankruptcies among merchants who fail because of the competition of those who use such methods result in unemployment, disruption of leases, and nonpayment of taxes and loans, and contribute to an inevitable train of undesirable consequences, including economic depression.

(2m) Definitions; Construction. (a) When one or more items of merchandise are furnished or sold in combination with or on condition of the purchase of one or more other items, or are so advertised, all items shall be included in determining cost under sub. (2) (am) or (c); and if any of the items included therein are separately priced, such separate price shall be subject to the requirements of this section.

(b) With respect to the sale of merchandise other than motor vehicle fuel, any retailer who also sells to other retailers shall use the invoice cost to other retailers in computing the selling price at retail under sub. (2) (am); and if that retailer is a manufacturer or producer, both sub. (2) (am) and (c) shall be used in computing the selling price at retail. In the absence of sales to other retailers, the manufacturer’s or producer’s invoice cost to wholesalers shall be used in computing the manufacturer’s or producer’s selling price at retail as provided in sub. (2) (am) and (c).

(c) When 2 or more terminals are included in the same geographic area by a petroleum price reporting service, they shall be considered one terminal for purposes of sub. (2) (am) 1m. a., b. and c.

(3) Illegality of Loss Leaders. Any sale of any item of merchandise either by a retailer, wholesaler, wholesaler of motor vehicle fuel or refiner, at less than cost as defined in this section with the intent or effect of inducing the purchase of other merchandise or of unfairly diverting trade from a competitor, impairs public welfare and is unfair competition and contrary to public policy and the policy of this section. Such sales are prohibited. Evidence of any sale of any item of merchandise by any retailer, wholesaler, wholesaler of motor vehicle fuel or refiner at less than cost as defined in this section shall be prima facie evidence of intent or effect to induce the purchase of other merchandise, or to unfairly divert trade from a competitor, or to otherwise injure a competitor.

(4) Penalties. For any violation of sub. (3), the department or a district attorney may commence an action on behalf of the state to recover a forfeiture of not less than $50 nor more than $500 for the first violation and not less than $200 nor more than $2,500 for each subsequent violation.

(5) Special Remedies. In addition to the penalties under sub. (4), both of the following remedies apply for a violation of sub. (3):

(a) The department may issue a special order as provided in s. 93.18 against a retailer, wholesaler, wholesaler of motor vehicle fuel or refiner requiring the person to cease and desist from violating this section in the sale of cigarettes or other tobacco products, fermented malt beverages, intoxicating liquor or wine or motor vehicle fuel. The department or a district attorney may commence an action on behalf of the state against a retailer, wholesaler, wholesaler of motor vehicle fuel or refiner who violates a special order issued under this paragraph to recover a forfeiture of not less than $200 nor more than $5,000 for each subsequent violation.

(b) The department or a district attorney may bring an action to enjoin a violation of this section without being compelled to allege or prove that an adequate remedy at law does not exist. An action under this paragraph may be commenced and prosecuted by the department or a district attorney, in the name of the state, in a circuit court in the county where the offense occurred or in Dane County, notwithstanding s. 801.50.

(5m) Private Cause of Action. Any person who is injured or threatened with injury as a result of a sale or purchase of motor

vehicle fuel in violation of sub. (3) may bring an action against the person who violated sub. (3) for temporary or permanent injunctive relief or an action against the person for 3 times the amount of any monetary loss sustained or an amount equal to $2,000, whichever is greater, multiplied by each day of continued violation, together with costs, including accounting fees and reasonable attorney fees, notwithstanding s. 814.04 (1). An action under this subsection may not be brought after 180 days after the date of a violation of sub. (3).

(5) **PRIVATE CAUSE OF ACTION: SALE OF TOBACCO PRODUCTS.** Any person who is injured or threatened with injury as a result of sale or purchase of cigarettes or other tobacco products in violation of this section may bring an action against the person who violated this section for temporary or permanent injunctive relief or an action against the person for 3 times the amount of any monetary loss sustained or an amount equal to $2,000, whichever is greater, multiplied by each day of continued violation, together with costs, including accounting fees and reasonable attorney fees, notwithstanding s. 814.04 (1).

(6) **EXCEPTIONS.** (a) The provisions of this section shall not apply to sales at retail or sales at wholesale where:

1. Merchandise is sold in bona fide clearance sales.
2. Perishable merchandise must be sold promptly in order to forestall loss.
3. Merchandise is imperfect or damaged or is being discontinued.
4. Merchandise is sold upon the final liquidation of any business.
5. Merchandise is sold for charitable purposes or to relief agencies.
6. Merchandise is sold on contract to departments of the government or governmental institutions.
7. The price of merchandise is made in good faith to meet an existing price of a competitor and is based on evidence in the possession of the retailer, wholesaler, wholesaler of motor vehicle fuel or refiner in the form of an advertisement, proof of sale or receipted purchase, price survey or other business record maintained by the retailer, wholesaler, wholesaler of motor vehicle fuel or refiner in the ordinary course of trade or the usual conduct of business.
8. Merchandise is sold by any officer acting under the order or direction of any court.

9. Motor vehicle fuel is sold by a person to a wholesaler of motor vehicle fuel, who may sell the motor vehicle fuel at either retail or wholesale.

(b) No retailer or wholesaler may claim the exemptions under par. (a) 1. to 4. if he or she limits or otherwise restricts the quantity of such merchandise which can be purchased by any buyer or if he or she fails to conspicuously disclose the reason for such sale in all advertisements relating thereto and on a label or tag on such merchandise or on a placard where the merchandise is displayed for sale.

(c) No person may claim the exemption under par. (a) 7. if that person holds a permit under subch. II of ch. 139.

(d) No retailer or wholesaler may claim the exemption under par. (a) 7. if that wholesaler or retailer holds a permit under subch. II of ch. 139.

(7) **NOTIFICATION REQUIREMENTS.** (a) If a retailer, wholesaler, wholesaler of motor vehicle fuel or refiner lowers in good faith the price of motor vehicle fuel below the applicable price specified under sub. (2) (am) 1m. to meet an existing price of a competitor, the person shall submit to the department notification of the lower price before the close of business on the day on which the price was lowered in the form and the manner required by the department.

(b) Failure to comply with par. (a) creates a rebuttable presumption that the retailer, wholesaler, wholesaler of motor vehicle fuel or refiner did not lower the price to meet the existing price of a competitor.

(c) If a retailer, wholesaler, wholesaler of motor vehicle fuel or refiner complies with par. (a), all of the following apply:

1. The department may not proceed under sub. (5) against the retailer, wholesaler, wholesaler of motor vehicle fuel or refiner.
2. The retailer, wholesaler, wholesaler of motor vehicle fuel or refiner is immune from liability under sub. (5m).

(c) “Hazardous substance” means:

1. Any substance or mixture of substances, including a toy or other article intended for use by children, which is toxic, is corrosive, is an irritant, is a strong sensitizer, is flammable or combustible, or generates pressure through decomposition, heat or other means, if such substance or mixture of substances may cause substantial personal injury or substantial illness during or as a proximate result of any customary or reasonably foreseeable handling or use, including reasonably foreseeable ingestion by children.

2. Any substances which the department by rule finds, pursuant to sub. (2) (a), meet the requirements of subd. 1.

2m. Any substance included under sub. (2) (e) 2.

(g) “Label” means a display of written, printed or graphic matter upon the immediate container of any substance or upon an article or tag attached thereto in the case of unpackaged articles; and a requirement made by or under authority of this section that any word, statement or other information appear on the label shall not be considered to be complied with unless such word, statement or other information also appears on the outside container or wrapper, if there is any, unless it is easily legible through the outside container or wrapper, and on all accompanying literature where there are directions for use, written or otherwise.

(h) “Misbranded package” or “misbranded package of a hazardous substance” means a hazardous substance in a container intended or suitable for household use, and includes a toy or other article intended for use by children whether or not in package form, which, except as otherwise provided under sub. (2), fails to bear a label:

1. Which states conspicuously the name and place of business of the manufacturer, packer, distributor or seller; the common or usual name, or the chemical name if there is no common or usual name, of the hazardous substance or of each component which contributes substantially to its hazard, unless the department by rule permits or requires the use of a recognized generic name; the signal word “DANGER” on substances which are extremely flammable, corrosive or highly toxic; the signal word “WARNING” or “CAUTION” on all other hazardous substances; an affirmative statement of the principal hazards, such as “Flammable”, “Combustible”, “Vapor harmful”, “Causes burns”, “Absorbed through skin” or similar wording descriptive of the hazard; precautionary measures describing the action to be followed or avoided, except when modified by rule of the department pursuant to sub. (2); instruction, when necessary or appropriate, for first−aid treatment; the word “poison” for any hazardous substance which is highly toxic; instructions for handling and storage of packages which require special care in handling or storage; and the statement “Keep out of the reach of children”, or its practical equivalent or, if the article is intended for use by children and is not a banned hazardous substance, adequate directions for the protection of children from the hazard; and

2. On which any statements required under subd. 1. are located prominently and are in the English language in conspicuous and legible type in contrast by typography, layout or color with other printed matter on the label.

(hm) “Practitioner” has the meaning given in s. 961.01 (19).

(i) “Radioactive substance” means a substance which emits ionizing radiation.

(j) “Strong sensitizer” means a substance which will cause on normal living tissue, through an allergic or photodynamic process, a hypersensitivity which becomes evident on reaplication of the same substances and which is designated as such by the department. Before designating any substance as a strong sensitizer, the department, upon consideration of the frequency of occurrence and severity of the reaction, shall find that the substance has a significant potential for causing hypersensitivity.

(k) “Toxic” applies to any substance, other than a radioactive substance, which has the capacity to produce personal injury or illness to persons through ingestion, inhalation, or absorption through any body surface.

(1m) (a) An article may be determined to present an electrical hazard if, in normal use or when subjected to reasonably foreseeable damage or abuse, its design or manufacture may cause personal injury or illness by electric shock.

(b) An article may be determined to present a mechanical hazard if, in normal use or when subjected to reasonably foreseeable damage or abuse, its design or manufacture presents an unreasonable risk of personal injury or illness from any of the following:

1. Fracture, fragmentation or disassembly of the article.

2. Propulsion of the article, or any part or accessory of the article.

3. Points or other protrusions, surfaces, edges, openings or closures.

(2) (a) Whenever in the judgment of the department such action will promote the objectives of this section by avoiding or resolving uncertainty as to its application, the department may by rule declare to be a hazardous substance, for the purposes of this section, any article or mixture of substances which it finds meets the requirements of sub. (1) (c) 1.

(b) If the department finds that the requirements of this section are not adequate for the protection of the public health and safety in view of the special hazards presented by any particular hazardous substance, it may by rule establish such reasonable variations or additional requirements as it finds necessary for the protection of the public health and safety.

(c) If the department finds that, because of the size of the package involved or because of the minor hazard presented by the substance contained therein, or for other good and sufficient reasons, full compliance with the labeling requirements otherwise applicable under this section is impracticable or is not necessary for the adequate protection of the public health and safety, it may exempt such substances from these requirements to the extent it determines to be consistent with adequate protection of the public health and safety.

(d) The department may by rule prohibit the sale of a hazardous substance if it finds that notwithstanding cautionary labeling that is or may be required the degree or nature of the hazard involved in the presence or use of such substance is such that the public health and safety can only be protected by keeping such substance out of the channels of commerce in this state.

(e) 1. The department may summarily ban the sale or distribution of any hazardous substance or article if it finds that the hazard to public health or safety is so great that such hazard should not be permitted to continue. The department shall follow the procedure specified in s. 93.18 (3).

2. In addition to subd. 1, and except as provided in subd. 3, all of the following are hazardous substances, possess such a degree of hazard that adequate cautionary labeling cannot be written and may not be sold or distributed:

(f) The department may by rule prescribe the methods of sale of hazardous substances, including but not limited to glues, cements and hobby kit fuels, and may regulate the manner of display and restrict access by the general public to hazardous substances.

(g) The department may by rule prescribe package safety standards, including type of package material and safety closures for hazardous substances and pesticides, and may prohibit the sale of noncomplying or defective packages.

(h) The department may by rule limit or ban the use of any ingredient or combination of ingredients in any hazardous substance if it finds such action necessary to adequately protect the public health and safety.

(3) The following acts and the causing thereof are prohibited:

(a) The sale, or offering or exposing for sale of any misbranded package of a hazardous substance.

(b) The alteration, mutilation, destruction, obliteration or removal of the whole or any part of the label of, or the doing of any other act with respect to, a hazardous substance, if such act is done while the substance is held for sale, and results in the hazardous substance being in a misbranded package.

(c) The sale, or offering or exposing for sale of a hazardous substance in a reused food, drug or cosmetic container or in a container which, though not a reused container, is identifiable as a food, drug or cosmetic container by its labeling or by other identification. The reuse of a food, drug or cosmetic container as a container for a hazardous substance shall be deemed to be an act which results in the hazardous substance being in a misbranded package.

(d) The sale or offering for sale of any hazardous substance contrary to this section or to any rule or order of the department issued under this section.

(e) The sale or offering for sale, in violation of this section, of any article or substance which is a hazardous substance within the meaning of this section or the federal hazardous substances act (15 USC 1261 et seq).

(4) The department may apply to any court of competent jurisdiction for a temporary or permanent injunction restraining any person from violating sub. (3); irrespective of whether or not there exists an adequate remedy at law.

(5) If the department has reasonable cause to believe that any substance is in violation of this section or poses an imminent hazard to public health or safety, it may deliver to the owner or custodian thereof an order prohibiting the sale or movement of such substance until an analysis or examination has been completed. Such holding order is not effective for more than 14 days from the time of delivery thereof. The substance described in any such holding order may not be sold or moved for any purpose without the approval of the department. (j) “Telephone solicitor” means a person, other than a non-profit organization or an employee or contractor of a non-profit organization, that employs or contracts with an individual to make a telephone solicitation.

(2) **NONSOLICITATION DIRECTORY LISTING.** (a) Upon a request by a residential customer, the department shall include in the nonsolicitation directory a listing indicating that the residential customer does not want to receive any telephone solicitation made on behalf of a telephone solicitor.

(b) The department shall promulgate rules for establishing, maintaining, and semiannually updating a directory that includes listings of residential customers who do not wish to receive telephone solicitations made on behalf of telephone solicitors. The rules promulgated under this paragraph shall establish requirements and procedures for a residential customer to request a listing in the directory. The rules shall also require a residential customer who requests a listing in the directory to notify the department on a biennial basis if the residential customer wishes to continue to be included in the directory. The department shall eliminate a residential customer from the directory if the customer does not make the biennial notification.

(c) Except for copies of the nonsolicitation directory that are provided to registered telephone solicitors under par. (d), the nonsolicitation directory is not subject to inspection, copying, or receipt under s. 19.35 (1) and may not be released by the department.

(d) The department shall, on a semiannual basis, make the nonsolicitation directory available by electronic transmission only to telephone solicitors who are registered under sub. (3). Upon the request of a telephone solicitor registered under sub. (3), the department shall also provide a printed copy of the nonsolicitation directory to the telephone solicitor. The amount of the registration fee shall be based on the cost of establishing the nonsolicitation directory, and the amount that an individual telephone solicitor is required to pay shall be based on the number of telephone lines used by the telephone solicitor to make telephone solicitations. The rules shall also require a telephone solicitor that registers with the department to pay an annual registration renewal fee to the department. The amount of the registration renewal fee shall be based on the cost of maintaining the nonsolicitation directory.
