VEHICLES — CIVIL AND CRIMINAL LIABILITY

SUBCHAPTER I

GENERAL PROVISIONS

345.01 Words and phrases defined. Words and phrases defined in s. 340.01 are used in the same sense in this chapter unless a different definition is specifically provided.

SUBCHAPTER II

CIVIL LIABILITY

345.05 Municipal liability for motor vehicle accidents.

(1) In this section the following terms have the designated meanings:

(a) “Business” means any business whether governmental or proprietary.

(b) “Governing body” means the county board with reference to counties, the town board with reference to towns, the legislative body of a city or village with reference to cities and villages and the board of any district, center or other municipality with reference to other municipalities enumerated in par. (c).

(c) “Municipality” means any county, city, village, town, school district [as enumerated in s. 67.01 (5)], sewer district (as enumerated in s. 67.01 (5)), drainage district, commission formed by a contract under s. 66.0301 (2) and, without restriction because of failure of enumeration, any other political subdivision of the state.

NOTE: 2001 Wis. Act 30 incorrectly placed “as enumerated in s. 67.01 (5)” after “sewer district.” Its correct location is after “school district” as indicated by the insertion of the phrase within brackets. Corrective legislation is pending.

(2) A person suffering any damage proximately resulting from the negligent operation of a motor vehicle owned and operated by a municipality, which damage was occasioned by the operation of the motor vehicle in the course of its business, may file a claim for damages against the municipality concerned and the governing body thereof may allow, compromise, settle and pay the claim. In this subsection, a motor vehicle is deemed owned and operated by a municipality if the vehicle is either being rented or leased, or is being purchased under a contract whereby the municipality will acquire title.

(3) A claim under this section shall be filed in the manner, form and place specified in s. 893.80. The limitations under s. 893.80 (3) are applicable to a claim under this section, except that the amount recoverable by any person for any damages, injuries or death in any action shall not exceed $250,000.

(4) In this section, judgments against municipalities shall be certified, filed and collected as provided in s. 66.0117 whether named therein or not.

(5) If the allowance of claim is by or the judgment is against any municipality lying in more than one town, city, village or county, the governing body of the debtor municipality shall prorate the amount of the claim allowed or the judgment and so certify to the proper officials for tax levy, so that the taxable property of the debtor municipality will equitably bear the amount of the claim or judgment.

This section is applicable when the injury can be traced to incidents of vehicle operation on the highway rather than a collateral use such as loading. Rabe v. Outagamie County, 72 Wis. 2d 492, 241 N.W.2d 428 (1976).

This section did not apply to an injury caused by negligent supervision of bus passengers. Hamed v. Milwaukee County, 108 Wis. 2d 257, 321 N.W.2d 199 (1982).

Though owned by the driver and not the county, a vehicle used to conduct actual business activity of a municipality is a motor vehicle under sub. (2). Manor v. Hanson, 123 Wis. 2d 524, 368 N.W.2d 41 (1985).

Compliance with this section is a prerequisite for an action against a municipal employee. Gonzalez v. Teskey, 160 Wis. 2d 1, 465 N.W.2d 525 (Ct. App. 1990).

Discretionary act immunity under s. 893.80 is inapplicable to s. 345.05 claims. Frostman v. State Farm Mut. Ins. Co. 171 Wis. 2d 138, 491 N.W.2d 100 (Ct. App. 1992).

A machine specifically included in the list of road machinery under s. 340.01 (52) is not a motor vehicle under this section regardless of its use. Schanke v. Wisconsin County Mut. Ins. Corp. 177 Wis. 2d 746, 502 N.W.2d 866 (Ct. App. 1993).

The liability limits of this section do not extend to independent contractors from whom the government entity may have leased or rented a vehicle. The limits only apply where a claim is against the governmental unit based on a motor vehicle accident. Kettner v. Wausau Insurance Cos. 191 Wis. 2d 724, 530 N.W.2d 399 (Ct. App. 1995).
345.05 CIVIL AND CRIMINAL LIABILITY

An action for inadequate supervision of operation and location of a county truck involved in a collision with the defendant’s car was an action involving the operation of a motor vehicle. Tso v. Delaney, 969 F.2d 373 (1992).

345.06 Owner’s liability for act of operator. The owners of every vehicle operating upon any highway for the conveyance of passengers for hire are jointly and severally liable to the party injured for all injuries and damages done by any person in the employment of such owners as an operator, while operating such vehicle, whether the act occasioning such injuries or damage was intentional, negligent or otherwise, in the same manner as such operator would be liable.

345.07 Civil actions by secretary. In addition to all existing remedies afforded by civil and criminal law, the secretary is authorized to bring civil actions for the recovery of all fees, taxes, interest and penalties to which the state may be entitled by reason of the operation by any person of a motor vehicle upon the highways of this state.

History: 1977 c. 29 s. 1654 (7) (c).

345.08 Suit to recover protested tax or fee. No suit shall be maintained in any court to restrain or delay the collection or payment of the taxes levied or the fees imposed or enacted in chs. 341 to 349. The aggrieved taxpayer shall pay the tax or fee as and when due and, if paid under protest, may at any time within 90 days from the date of such payment sue the state in an action at law to recover the tax or fee or any part thereof when committed on a highway . The aggrieved taxpayer shall pay the same out of the transportation fund. A separate suit need not be maintained in any court to recover protested tax or fee or any part thereof was wrongfully collected for any reason, the department of administration shall issue a warrant on the state treasurer for the amount of such tax or fee so adjudged to be wrongfully collected.

Service upon a nonresident’s father at the father’s residence was insufficient for the exercise of personal jurisdiction over a nonresident in a diversity case, despite claimed actual notice, when no attempt was made to comply with s. 345.09. Chilcote v. Shertzer, 372 F. Supp. 86 (1974).

345.09 Service of process on nonresident. (1) The use and operation of a motor vehicle over the highways of this state by a nonresident is considered an irrevocable appointment by the nonresident of the secretary to be the true and lawful attorney upon whom may be served all legal process and notice against the nonresident or the nonresident’s personal representative, growing out of the use or operation of the motor vehicle in this state and resulting in damage or loss to person or property, whether the damage or loss occurs on a highway or on abutting public or private property. The appointment of the secretary as attorney for service of process is binding upon the nonresident’s personal representative. The use or operation of a motor vehicle over the highways of this state by a nonresident is a signification of the nonresident’s agreement that any legal process or notice against the nonresident or the nonresident’s personal representative that is so served shall be of the same legal force and validity as if served on them personally.

(2) The secretary as attorney upon whom processes and notices may be served under this section shall, upon being served with such process or notice, forthwith mail by registered mail a copy thereof to such nonresident at the out−of−state nonresident address given in the papers so served. It is the duty of the party or the party’s attorney to certify in the papers so served that the address given therein is the last−known out−of−state nonresident address of the party to be served. In all cases of service under this section there shall be served 2 authenticated copies of the secretary and such additional number of authenticated copies as there are defendants so served in the action. One of the secretary’s copies shall be retained for the secretary’s record of service and the other copy shall be returned with proper certificate of service attached for filing in court as proof of service of the copies by having mailed them by registered mail to the defendants named therein. The service fee shall be $25 for each defendant so served. The secretary shall keep a record of all such processes and notices, which record shall show the day and hour of service.

(3) This section applies to a nonresident defendant who was a resident of this state at the time of the accident or occurrence which gave rise to the cause of action sued on.

If a uniform traffic citation and complaint is used in criminal cases, it must satisfy the requirements of stating probable cause. State v. White, 97 Wis. 2d 193, 295 N.W.2d 346 (1980).

When the state used a traffic citation to initiate legal proceedings and subsequently decided to prosecute the action as a crime, the trial court erred in not giving the defendant 10 days from the date of the amended charge to object to the sufficiency of the complaint. State v. Mudgett, 99 Wis. 2d 525, 299 N.W.2d 621 (Cl. App. 1980).

The uniform traffic citation and complaint is not a "complaint" under s. 968.02 (5). State v. Folk, 117 Wis. 2d 42, 342 N.W.2d 761 (Cl. App. 1983).

In general, an officer who issues a uniform traffic citation when no warrant has been issued is not entitled to service or mileage fees for delivering the citation. 63 Atty. Gen. 99.

(f) Upon the person’s appearance in court in response to a notice by the authority who issued the citation or the department, the procedures under ss. 345.34 to 345.47 apply.
(g) Notification of the department under par. (a) 1. shall toll any applicable statute of limitation for 4 years from the date of the notification.
(h) If an authority receives payment of 50% of a forfeiture from the owner of a leased or rented vehicle involved in a nonmoving traffic violation and receives payment of the forfeiture from the lessee or renter of the vehicle charged with the violation, the authority shall refund to the owner the 50% payment received.
(i) Notwithstanding any other provision of this subsection or ss. 341.10 (7m) and 341.63 (1) (c), the department may permit an authority to send a single notice to the department under par. (4), if the person does not pay the forfeiture or appear in court in response to the citation for a nonmoving traffic violation on the date specified in the citation or, if no date is specified in the citation, within 28 days after the citation was issued, the authority, after sending 2 notices which meet the requirements under sub. (4) (c), may issue a warrant under par. (b) for the person.
(b) 1. If a person fails to respond to the notices under par. (a) within the time specified in the notice, a warrant that substantially complies with the mandatory provisions under s. 968.04 (3) (a) may be issued for the person, except that the warrant shall direct the officer to accept the person’s deposit of money or his or her valid Wisconsin operator’s license, as provided under subd. 2. a., in lieu of serving the warrant and arresting the person.
2. If an officer contacts a person for whom a warrant for a nonmoving traffic violation has been issued under subd. 1.: a. The officer shall accept a deposit of money or a deposit of the person’s valid Wisconsin operator’s license in lieu of serving the warrant and arresting the person. If the license is deposited with the officer, the officer shall issue to the licensee a receipt, on a form provided by the department, which is valid as an operator’s license through a date specified on the receipt, not to exceed 30 days from the date of contact, which shall be the same as the court appearance date and the officer shall at the earliest possible time prior to the court appearance date deposit the license with the court. If a deposit of money is made, s. 345.26 (1) (a) and (2) to (5) applies. The officer shall notify the person who deposits money or his or her license, in writing, of the specific actions which the authority and the courts are authorized to take under this section if the person fails to appear in court at the time specified by the officer, not to exceed 30 days from the date of contact, or at any subsequent court appearance for the nonmoving traffic violation citation. If the person makes a deposit of money or deposits his or her valid Wisconsin operator’s license, the officer shall return the warrant to the court or judge who issued the warrant and the court or judge shall vacate the warrant.

b. The officer may serve the warrant and arrest any person who refuses to make a deposit of money or deposit his or her operator’s license. If the officer arrests the person, the officer shall bring the arrested person before a court having jurisdiction to try the action or a judge without unreasonable delay.

(c) 1. If the person who was contacted under par. (b) 2. and who has made a deposit of money fails to appear in court at the date specified by the officer under par. (b) 2. a. or set under s. 345.32, 345.34 or 345.36 or at any subsequent court appearance for the nonmoving traffic violation, the person shall be deemed to have entered a plea of no contest. The court shall accept the plea of no contest, find the defendant guilty and proceed under s. 345.47, except that the deposit shall be forfeited and serve as payment of the judgment. The court shall give notice of the entry of judgment to the defendant by mailing a copy of the judgment to the defendant’s last–known address.

2. If the person who was contacted under par. (b) 2. and who has deposited his or her operator’s license fails to appear in court at the date specified by the officer under par. (b) 2. a. or set under s. 345.32, 345.34 or 345.36 or at any subsequent court appearance for the nonmoving traffic violation, the person may be deemed to have entered a plea of no contest. The court may accept the plea of no contest, find the defendant guilty and proceed under s. 345.47, except that the deposit shall be forfeited and serve as payment of the judgment. The court shall give notice of the entry of judgment to the defendant by mailing a copy of the judgment to the defendant’s last–known address.

3. A default judgment entered under this paragraph may be reopened as provided under s. 345.51.

1. The vehicle involved in a nonmoving traffic violation is owned by a person engaged in the business of renting or leasing motor vehicles;

2. At the time of the violation the vehicle was in the possession of a renter or lessee;

3. The owner of the vehicle provides the information required under s. 343.46 (3) for such renter or lessee to the authority who issued the citation within 10 days after the 2nd notice was sent to the owner under sub. (4) (c) and

4. After being notified by the authority, the renter or lessee identified under sub. 3. pays the forfeiture or appears in court in response to the citation for the nonmoving traffic violation within 30 days after the 2nd notice from the authority is mailed.

(b) If the renter or lessee does not pay the forfeiture or appear in court in response to the citation for a nonmoving traffic violation, the authority may notify the department under sub. (4) (a) 1. that a citation has been issued to the person and the citation remains unpaid. The action which the authority shall specify that the department take under sub. (4) (a) 2. is limited to refusal of the registration of any vehicle owned by the renter or lessee.

(c) 1. If the renter or lessee does not pay the forfeiture or appear in court in response to the citation for a nonmoving traffic violation within 30 days after the 2nd notice from the authority is mailed to the renter or lessee, the owner shall pay the authority 50% of the forfeiture applicable to the nonmoving traffic violation. The authority shall notify the person in writing of its responsibility for this payment.

2. If the owner does not pay 50% of the forfeiture applicable to the citation within 30 days after notice under subd. 1. has been mailed to the owner, the authority may send a notice to the department under sub. (4) (a) 1. The action which the authority shall specify that the department take under sub. (4) (a) 2. is limited to suspension of the registration of the vehicle involved in the nonmoving traffic violation.

(d) The notices to the renter or lessee required under sub. (4) (b) shall be mailed on 2 separate days to the last–known address of the renter or lessee and shall include the information specified in sub. (4) (c) and the name of the owner of the vehicle.

6. No person may be arrested or imprisoned under s. 345.47 (1) (a) or ch. 785 for failure to pay a judgment assessed under this section and s. 345.47.

7. Nothing in this section prevents a court from issuing a warrant under s. 343.36 or 345.37 if the person appears in court in response to a citation for a nonmoving traffic violation or after notice by the authority who issued the citation or the department under sub. (4) or on the date specified by the officer or the court under sub. (5) and then fails to appear in court at any time fixed by subsequent postponement. Unless the case is tried immediately with the person’s consent, anyone who is arrested on a warrant issued under this subsection may be released on his or her own recognizance or on posting bond or may be released without bail and shall be released if the person posts cash bail for his or her appearance.

345.285 Alternative traffic violation and registration pilot program. (1) The department may administer an alternative traffic violation and registration pilot program. Any pilot program under this section shall provide alternative methods of suspending and refusing vehicle registrations for unpaid citations for nonmoving traffic violations in lieu of applicable requirements of s. 345.28.

(2) The department may contract with a city of the 1st class to permit the city to suspend vehicle registrations for unpaid citations for nonmoving traffic violations. The department may not enter into a contract under this subsection after June 30, 2001. A
contract under this subsection shall include all of the following provisions:

(a) The city may suspend the registration of a vehicle if all of the following apply:
1. The city has cited the owner of the vehicle for one or more nonmoving traffic violations for which the owner has neither paid the forfeitures nor appeared in court in response to the violations.
2. The city has mailed to the last-known address of the owner at least 2 notices that meet the requirements of s. 345.28 (4) (c) with respect to each citation counted under subd. 1.
3. The owner has not, by the date specified in the last issued citation that is counted under subd. 1, or, if no date is specified in that citation, within 28 days after the citation is issued, either paid all forfeitures or appeared in court in response to all citations counted under subd. 1, for which the forfeitures have not been paid.
4. The city suspends the registration of a vehicle under par. (a), all of the following apply:
   (1) The city may notify the defendant to refuse the registration of any vehicle owned by the person under s. 341.10 (7r).
   (2) The city may remove the suspension of the vehicle’s registration under par. (a) if the owner of the vehicle either pays all forfeitures or appears in court in response to all citations counted under par. (a) 1. for which the forfeitures have not been paid. If a suspension is removed under this subdivision, the department shall be immediately notified in the form and manner prescribed by the department.
   (c) Provisions that specify the responsibilities of the department and of the city with respect to the pilot program, the procedures for record and transaction security, and any fee that the city may assess the owner of a vehicle whose registration is suspended under par. (a).
   (d) Notwithstanding s. 85.13, the department shall charge the city a fee for the cost of the development and operation of the pilot program under this section. The fee shall ensure that payments by the city to the department under this paragraph and s. 85.13 are not less than payments made by the city to the department under s. 85.13 before June 17, 1998, for comparable periods of time. The department may periodically adjust this fee accordingly or, in lieu of adjusting the fee, may terminate the contract.
   (e) The city may enact and enforce an ordinance that strictly conforms to s. 341.03, except that the ordinance shall apply to motor vehicles whose registration is suspended under par. (a).
   (f) The city may not suspend vehicle registrations under this section after June 30, 2001.
History: 1997 a. 237.

345.30 Jurisdiction. Jurisdiction over actions for violation of traffic regulations and nonmoving traffic violations is conferred upon circuit courts. Municipal courts shall have jurisdiction over traffic regulations enacted in accordance with s. 349.06 and over actions for violations of nonmoving traffic ordinances enacted in accordance with s. 349.06 or 349.13.

History: 1971 c. 278; 1977 c. 449; 1981 c. 165.

345.31 Venue in traffic regulation actions. Section 971.19 on place of trial in criminal actions applies to actions for the violation of traffic regulations and nonmoving traffic violations except that, in the case of a violation of an ordinance of a municipality which is located in more than one county, the action may be brought in any court sitting in that municipality even though in another county. As an alternative, the plaintiff may bring the action in the county where the defendant resides.

History: 1971 c. 278; 1981 c. 165.

345.315 Change of judge. (1) In traffic regulation and nonmoving traffic violation cases a person charged with a violation may file a written request for a substitution of a different judge for the judge originally assigned to the trial of that case. The written request shall be filed not later than 7 days after the initial appearance in person or by an attorney. If a new judge is assigned to the trial of a case and the defendant has not exercised the right to substitute an assigned judge, a written request for the substitution of the new judge may be filed within 10 days of the giving of actual notice or sending of the notice of assignment to the defendant or the defendant’s attorney. If the notification occurs within 10 days of the date set for trial, the request shall be filed within 48 hours of the giving of actual notice or sending of the notice of assignment to the defendant or the defendant’s attorney. If the notification occurs within 48 hours of the trial or if there has been no notification, the defendant may make an oral or written request for substitution prior to the commencement of the proceedings. The judge against whom a request has been filed may set initial bail and accept a plea.

(1m) When the clerk of court receives a request for substitution, the clerk shall immediately contact the judge whose substitution has been requested for a determination of whether the request was made timely and in proper form. If the request is found to be timely and in proper form, the judge named in the request has no further jurisdiction and the clerk shall request the assignment of another judge under s. 751.03. If no determination is made within 7 days, the clerk shall refer the matter to the chief judge of the judicial administrative district for determination of whether the request was made timely and in proper form and reassignment as necessary.

(2) Except as provided in sub. (5), no more than one judge can be disqualified in any action.

(3) In a court of record assignment of judges shall be made as provided in s. 751.03.

(4) In municipal court a case shall be transferred as provided in ss. 751.03 (2) and 800.05.

(5) If upon an appeal from a judgment or order or upon a writ of error the appellate court orders a new trial or reverses or modifies the judgment or order in a manner such that further proceedings in the trial court are necessary, the person charged with a violation may file a request under sub. (1) within 20 days after the entry of the judgment or decision of the appellate court whether or not another request was filed prior to the time the appeal or writ of error was taken.

Judicial Council Note, 1977: The Judicial Council has been amended to specify that a judge against whom a substitution of judge request has been filed in traffic regulation cases may, however, set initial bail and accept a plea. The provision that all defendants must join in any substitution of judge request has been deleted to conform to a provision in chapter 149, laws of 1975. In addition, the transfer fee from municipal to county court has been deleted and a municipal justice will no longer retain the option of transferring the case to another municipal justice rather than county court when a request for substitution has been filed against him or her. [Bill 74–S]

Judicial Council Note, 1983: Sub. (1) is amended by conforming the procedure for requesting the substitution of a judge other than the judge originally assigned to the trial of a traffic regulation case to that specified for criminal actions in s. 971.20 (5), stats. The time deadlines are made to run from the time of giving actual notice or sending the notice of assignment to the defendant or the defendant’s attorney rather than receipt thereof, which is difficult to determine and therefore causes problems in the administration of justice. [Bill 148–S]

345.32 Initial appearance before judge. If a defendant is arrested and brought without unreasonable delay before a judge who, or a court which, does not have jurisdiction to try the case, the defendant shall be committed to await trial in a court with jurisdiction and all papers shall be sent forthwith to that court. In lieu of commitment, the judge may release the defendant if the defendant posts bond for the defendant’s appearance in such court, or the judge may release the defendant on the defendant’s recognizance for such appearance, or the judge may release the defendant without conditions. The court to which the case is sent may similarly release the defendant.

History: 1971 c. 278; 1991 a. 316.

345.34 Arraignment; pleas. (1) If the defendant appears in response to a citation, or is arrested and brought before a court with jurisdiction to try the case, the defendant shall be informed
that he or she is entitled to a jury trial and then asked whether he or she wishes presently to plead, or whether he or she wishes a continuance. If the defendant wishes to plead, the defendant may plead guilty, not guilty or no contest.

(2) If the defendant pleads guilty or no contest, the court shall accept the plea, find the defendant guilty and proceed under s. 345.47.

(3) If a summons is served or citation is issued by a police officer for a violation of any municipal ordinance or of chs. 194 or 340 to 348 and 350, the defendant may enter a plea of not guilty based on such summons or citation by letter to the judge at the address indicated on the summons or citation, the letter to show the defendant’s return address. The letter may include a request for trial during normal daytime business hours. Upon receipt of the letter, the judge shall reply by mail to the defendant’s address setting forth time and place for trial, the time to be during normal business hours if requested by the defendant. The date of the trial shall be at least 10 days from the mailing by the judge. Nothing in this subsection forbids the setting of the trial at any time convenient to all parties concerned.

Courts may not dismiss traffic complaints on the payment of a penalty and costs, or costs alone. 63 Atty. Gen. 328.

345.35 Not guilty plea; immediate trial. (1) If the defendant pleads not guilty, the court shall ascertain whether the defendant wishes an immediate trial or whether the defendant wishes a continuance. The plaintiff shall also be entitled to a continuance if the defendant pleads not guilty.

(2) If the defendant pleads not guilty and states that he or she waives the right to jury trial and wishes an immediate trial, the case may be tried forthwith if the plaintiff consents.

History: 1971 c. 278; 1991 a. 316.

345.36 Not guilty plea; continuance; failure to appear. (1) If the defendant pleads not guilty and requests a continuance the court shall set a date for trial or advise the defendant that notice of such summons or citation by letter to the judge at the address indicated on the summons or citation, the letter to show the defendant’s return address. The letter may include a request for trial during normal daytime business hours. Upon receipt of the letter, the judge shall reply by mail to the defendant’s address setting forth time and place for trial, the time to be during normal business hours if requested by the defendant. The date of the trial shall be at least 10 days from the mailing by the judge. Nothing in this subsection forbids the setting of the trial at any time convenient to all parties concerned.

History: 1971 c. 278; 1977 c. 305; 1991 a. 316.

If a summons is served or citation is issued by a police officer for a violation of any municipal ordinance or of chs. 194 or 340 to 348 and 350, the defendant may enter a plea of not guilty based on such summons or citation by letter to the judge at the address indicated on the summons or citation, the letter to show the defendant’s return address. The letter may include a request for trial during normal daytime business hours. Upon receipt of the letter, the judge shall reply by mail to the defendant’s address setting forth time and place for trial, the time to be during normal business hours if requested by the defendant. The date of the trial shall be at least 10 days from the mailing by the judge. Nothing in this subsection forbids the setting of the trial at any time convenient to all parties concerned.

Courts may not dismiss traffic complaints on the payment of a penalty and costs, or costs alone. 63 Atty. Gen. 328.

345.37 Procedure on default of appearance. If the defendant fails to appear in court at the time fixed in the citation or by subsequent postponement, the following procedure shall apply:

(1) If the defendant has not made a deposit under s. 345.26, the court shall either:

(a) Issue a warrant under ch. 968 and, if the defendant has posted a bond for appearance at that date, the court may order the bond forfeited; or

(b) Deem the nonappearance a plea of no contest and enter judgment accordingly. If the defendant has posted bond for appearance at that date, the court may also order the bond forfeited. The court shall promptly mail a copy or notice of the judgment to the defendant. The judgment shall allow not less than 20 days from the date thereof for payment of any forfeiture, penalty assessment, railroad crossing improvement assessment, crime laboratory and drug law enforcement assessment and costs imposed.

If the defendant moves to open the judgment within 6 months after the court appearance date fixed in the citation, and shows to the satisfaction of the court that the failure to appear was due to mistake, inadvertence, surprise or excusable neglect, the court shall open the judgment, accept a not guilty plea and set a trial date. The court may impose costs under s. 814.07. The court shall immediately notify the department to delete the record of conviction based upon the original judgment. If the offense involved is a nonmoving traffic violation and the defendant is subject to s. 345.28 (5) (c), a default judgment may be entered and opened as provided in s. 345.28 (5) (c).

(2) If the defendant has made a deposit under s. 345.26, the citation may serve as the initial pleading and the defendant shall be deemed to have tendered a plea of no contest and submitted to a forfeiture and a penalty assessment, if required by s. 757.05, a jail assessment, if required by s. 302.46 (1), a truck driver education assessment, if required by s. 349.04, a railroad crossing improvement assessment, if required by s. 346.177, 346.495 or 346.65 (4r), and a crime laboratories and drug law enforcement assessment, if required by s. 165.755, plus costs, including any applicable fees prescribed in ch. 814, not exceeding the amount of the deposit. The court may either accept the plea of no contest and enter judgment accordingly, or reject the plea and issue a summons under ch. 968. If the defendant fails to appear in response to the summons, the court shall issue a warrant under ch. 968. If the court accepts the plea of no contest, the defendant may move within 6 months after the date set for the appearance to withdraw the plea of no contest, open the judgment, and enter a plea of not guilty upon a showing to the satisfaction of the court that the failure to appear was due to mistake, inadvertence, surprise, or excusable neglect. If on reopening the defendant is found not guilty, the court shall immediately notify the department to delete the record of conviction based on the original proceeding and shall order the defendant’s deposit returned.

(3) If the offense involved is a nonmoving traffic violation and the defendant is subject to s. 345.28 (5) (c), a default judgment may be entered and opened as provided in s. 345.28 (5) (c).

345.375 Judgment against a corporation or limited liability company. (1) If a corporation or limited liability company fails to appear within the time required by the citation, the default of such corporation or limited liability company may be recorded and the charge against it taken as true and judgment shall be rendered accordingly.

345.38 Effect of plea of no contest. Several counts may be joined in one complaint or a separate complaint may be prepared for each separate violation. The defendant’s plea shall be guilty, no contest or not guilty and shall be entered as not guilty upon failure to plead. A plea of not guilty shall put all matters in such case at issue.
