(h) 2., the 12 percent limit does not apply to that finding. In determining the equalized value of taxable property under this subd. 4. c., the department of revenue shall base its calculations on the most recent equalized value of taxable property of the district that is reported under s. 70.57 (1m) before the date on which the resolution under this paragraph is adopted.

SECTION 11. 66.1105 (4) (gm) 6. of the statutes is created to read:

Adoption of an amendment to a project plan shall be preceded by a public hearing held by the plan commission at which interested parties shall be afforded a reasonable opportunity to express their views on the amendment. Notice of the hearing shall be published as a class 2 notice, under ch. 985. The notice shall include a statement of the purpose and cost of the amendment and shall advise that a copy of the amendment will be provided on request.
