**ASSEMBLY SUBSTITUTE AMENDMENT 1,
TO 2003 ASSEMBLY BILL 198**

July 25, 2003 - Offered by Representative ZIEGELBAUER.

1 **AN ACT** *to renumber* 767.263 (1); and *to create* 767.263 (1) (b) and 767.263 (1)
2 (c) of the statutes; **relating to:** permitting a court to require a maintenance or
3 child support payee to notify the county child support agency and the payer of
4 any substantial income changes.

Analysis by the Legislative Reference Bureau

Under current law, an order for child support, family support, or maintenance must include an order that requires the payer of the support or maintenance to notify both the county child support agency and the payee of any change of employer and of any substantial change in the amount of the payer's income such that his or her ability to pay the support or maintenance is affected. This substitute amendment permits a court to include in an order for maintenance an order that requires the payee of the maintenance to notify the county child support agency and the payer of any substantial change in the payee's income and to include in an order for child or family support, if the court considered the income of the payee in determining the support amount, an order that requires the payee of the support to notify the county child support agency and the payer of any substantial change in the payee's income.
