Subject					
Employment discrimination against volunteer fire fighters, EMT's, first responders and ambulance drivers					

Assumptions Used in Arriving at Fiscal Estimate

This bill adds discrimination protection for volunteer fire fighters, emergency medical technicians, first responders, and ambulance drivers to the Wisconsin Fair Employment Law (sec.111.31-111.395 stats). The bill both prohibits discrimination against a person who is a volunteer fire fighter, emergency medical technician, first responder, or ambulance driver by employers and requires that employers reasonably accommodate the temporary absence of a volunteer firefighter, emergency medical technician, first responder, or ambulance driver while responding to a call, unless doing so would create an undue hardship for the employer.

There is a cost to the department when legislation involves an expected increase in caseload. This bill appears to address a situation that has rarely been brought to the attention of the Equal Rights Division as a concern and is therefore likely to result in an increase in caseload of less than ten cases per year. It is anticipated that the cost associated with this modest increase in caseload could be absorbed within the agency's current budget authority. However, a one-time cost of approximately \$1,500.00 is estimated for the reprinting of informational materials.

It does not appear that this bill would result in any significant increase in costs for local governments.

Long-Range Fiscal Implications

No long range implications known.
