

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-1248/2dn  
RNK:wlj:cph

February 13, 2003

This redraft is based on my conversation with Curt Witynski of the League of Wisconsin Municipalities. As I discussed with Curt, the provisions of s. 66.0301 in current law already authorize municipalities to enter into contracts for the furnishing of services or the joint exercise of any duty required under law. Consequently, municipalities already have the authority to establish jointly a weights and measures department. This draft cross-references s. 66.0301 to make clear that this authority exists under current law.

Please feel free to contact me if you have any questions.
