2003 ASSEMBLY BILL 174

March 18, 2003 - Introduced by Representatives PETTIS, JOHNSRUD, HINES, SUDER, MUSSEY, SERATTI, AINSWORTH, GUNDERSON, ALBERS, OTT, PETROWSKI and FRISKE, cosponsored by Senators A. LASEE, SCHULTZ and STEPP. Referred to Committee on Natural Resources.

REGEN

1 AN ACT *to create* 23.33 (1) (g) and 23.33 (3m) of the statutes; relating to:
2 operation of all-terrain vehicles on real property under the management,
3 supervision, or control of the Department of Natural Resources for purposes of
4 hunting *of deer, elk, or bear*

Analysis by the Legislative Reference Bureau

Under current rules promulgated by the Department of Natural Resources (DNR), no person may operate a motorized vehicle on land or in bodies of water that are in state forests or in other areas under the management, supervision, or control of DNR unless the operation of the vehicle is specifically authorized by posted notice.

This bill codifies this rule in statute as it relates to all-terrain vehicles (ATVs) and provides an exemption to this rule. Under the exemption, any person who is at least 65 years old or who has been issued a Class A or Class B hunting permit by DNR may operate an ATV on land under the management, supervision, or control of DNR, and on any roadway through such land, for the purpose of legally hunting, field dressing, tagging, and retrieving game.

A Class A permit is issued to a person who has a permanent disability such as cardiovascular disease or a prosthesis and authorizes the permit holder to hunt from a stationary vehicle and to hunt with a crossbow under certain circumstances. A Class B permit is issued to a person who has a temporary disability that restricts mobility and authorizes the permit holder to use any method that is available to a Class A permit holder and that is specifically authorized by DNR under the Class B permit.

ASSEMBLY BILL 174

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

VIA MESSENGER

Dear Ms. Schaeffer:

Pursuant to Joint Rule 41(3)(b), I am requesting a supplemental fiscal estimate on Assembly Bill 174. This bill has recently received substantial modifications from the author through its substitute amendment that will significantly narrow the scope and cost of the bill.

The bill is scheduled for a hearing next Tuesday, August 19th. If there is a problem with completion of the fiscal estimate prior to the hearing date, please notify Representative Pettis, the bill's author, or Kimberly Liedl of his office.

Thank you in advance.

Sincerely,

John G. Gard
Speaker of the Assembly
