

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

May 9, 2003

ATTN: Kathy Marschman

As discussed, the attached substitute amendment eliminates bill sections 4 and 5 of 2003 AB-282. It also eliminates the sentence in bill section 6 of AB-282 that requires a registration decal to be affixed to the collector's plate (*see* AB-282, p. 3, line 25 to p. 4, line 3). Since bill section 2 of AB-282 relates only to this decal requirement, the attached substitute amendment also eliminates bill section 2 of AB-282. The decal provisions of AB-282 were included to conform with s. 341.12 (3) (c), but it is my understanding that, because registration of collector's vehicles is nonexpiring, DOT does not issue a registration decal to be affixed to collector's plates. This substitute amendment omits any treatment of the decal issue, such that current law on the issue is unaffected.

Please carefully review the attached draft to ensure that it is consistent with your intent. Please let me know if you want any changes or, if the attached draft meets with your approval, let me know and I will convert it to an introducible "/1" draft.
