ATTN: Representative Krug

As I understand this amendment request, you want to *require* DOT to assess a fee, and not simply make the fee discretionary. If in fact you want to allow, but not require, DOT to assess a fee, please advise and I will promptly prepare a new amendment to replace "shall" with "may."

The fee required under this amendment would apply with respect to both school districts and, if AA1 to AB-369 is adopted by the assembly, private and charter schools.
