2003 BILL

1 **AN ACT to repeal** 118.38 (4); **to amend** 118.38 (3); and **to repeal and recreate**
2 118.38 (2) of the statutes; **relating to:** waivers of laws and administrative rules
3 governing elementary and secondary education.

Analysis by the Legislative Reference Bureau

With certain exceptions, current law authorizes the Department of Public Instruction (DPI), upon receiving a request from a school board, to waive any school board or school district requirement in the laws and administrative rules governing elementary and secondary education. Before making a request, the school board must hold a public hearing on the request in the school district. In determining whether to grant the waiver, DPI must consider whether the requirement impedes progress toward achieving a local improvement plan and, if the school district has adopted educational goals, whether it impedes progress toward achieving those goals.

This bill requires DPI to grant a waiver upon receiving a request from a school board if the school board has held a public hearing on the request.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 **SECTION 1.** 118.38 (2) of the statutes is repealed and recreated to read:
