Discrimination based on military status							

## Assumptions Used in Arriving at Fiscal Estimate

The Wisconsin Technical College System does not discriminate on the basis of military status.

## **Long-Range Fiscal Implications**

If enacted, 2003 AB 408 would prohibit discrimination in housing, public education, public accommodations, and in granting credit based on military status. In essence, enactment of AB 203 would simply codify current WTCS practice and have no fiscal implications for WTCS students or colleges.
