Subject: Natural resources drafting request for Representative Olsen

Cari Lee has called in the following request. They want a 1-day fishing license for both residents and nonresidents. The nonresident one could go in at 29.219 (5), the nonresident one at 29.228 (8). Note that these will have to added elsewhere in ch. 29 where they talk about other types of fishing licenses, like in ss. 29.229 and 29.2295.

Cari will be calling you with the amount of the fee for each of these licenses.

Thanks,

Mary

King

2003 BILL

Gen. Cat.
AN ACT...; relating to: creating a ~~twenty-four~~ *24-* hour resident and nonresident fishing license. *24-hour*

15
Analysis by the Legislative Reference Bureau

Current law provides for numerous types of resident and nonresident fishing licenses. Resident licenses include an annual fishing license with a fee of \$13.25, a husband and wife annual fishing license with a fee of \$23.25, and a two-day sports fishing license with a fee of \$9.25. Nonresident licenses include an annual fishing license with a fee of \$33.25, a ~~fifteen~~ *24-* day fishing license with a fee of \$19.25, and a four-day fishing license with a fee of \$14.25. Generally, if a person wants to fish for inland waters trout or outlying waters trout and salmon, he or she must obtain a stamp in addition to the fishing license. The inland waters trout stamp costs \$7 and the Great Lakes trout and salmon stamp costs \$7.

This bill creates a resident and a nonresident ~~twenty-four~~ *24-* hour fishing license, with a fee of \$10. Under the bill, a person with the ~~twenty-four~~ *24-* hour fishing license can fish for inland water trout and outlying waters trout and salmon without a trout stamp or a Great Lakes trout and salmon stamp.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

BILL
