**Assumptions Used in Arriving at Fiscal Estimate**

This bill prohibits the Department of Corrections from paying for housing for offenders at 6535 N. 51st Street in Milwaukee or allowing any person on extended supervision, parole, or probation or any sexually violent person on supervised release from residing at 6535 N. 51st Street, as a condition of his or her release or probation.

The Department does not have any offender for which the Department is fiscally responsible housed at the above address. Thus, there will be no fiscal impact upon the Department of Corrections.
