Regen

1 AN ACT to create 450.087 of the statutes; relating to: gifts given or offered by
2 prescription drug manufacturers and distributors to encourage practitioners to
3 prescribe certain drugs and providing a penalty. ✓

✓ as a person authorized

Analysis by the Legislative Reference Bureau

This bill prohibits any person who manufactures or distributes prescription drugs (manufacturer) in this state from giving, or offering to give, anything of monetary value to any (practitioner) to encourage the practitioner to issue prescriptions for that manufacturer's drugs. Current law defines a practitioner to mean any person who is licensed in this state to prescribe and administer drugs or who is licensed in another state and recognized by this state to prescribe and administer drugs. The prohibition created under the bill does not apply to gifts given or offers made by a manufacturer to a practitioner who is a relative of that manufacturer or to product samples given by a manufacturer to a practitioner for delivery to a patient.
