Hi Gordon -

I am writing to request a couple of law revisions drafts for next session. DWD wants to reintroduce LRB 1277/P1 and LRB 1255/P1. Could you draft those as preliminary drafts for the committee's consideration. Thanks

RESEARCH APPENDIX - Draft Transfer/Copy Request Form

- Atty's please complete this form and give to Mike Barman (or Lynn E. in his absence)

(Request Made By: DJK) (Date: 10 / 10 / 03)

Please ~~transfer~~^{copy} the drafting file for

2001 LRB -1277 to the drafting file

for 2003 LRB - 3459

The final version of the 2001 draft and the final Request Sheet will copied on yellow paper, and returned to the original 2001 drafting file. A new cover sheet will be created/included listing the new location of the drafting file's "guts".

For research purposes, because the 2001 draft was incorporated into a 2003 draft, the complete drafting file will be transferred, as a separate appendix, to the new 2003 drafting file. This request form will be inserted into the "guts" of the 2003 draft. If introduced, the appendix will be scanned/added to the electronic drafting file folder.

— OR —

Please copy the drafting file for

2003 LRB _____ / _____ (include the version) and place it in the

drafting file for 2003 LRB _____

For research purposes, because the original 2003 draft was incorporated into another 2003 draft, the original drafting file will be copied on yellow paper (darkened/auto centered/reduced to 90%) and added, as a separate appendix, to the new 2003 drafting file. This request form will be inserted into the "guts" of the new 2003 draft. If introduced the appendix will be scanned/added to the electronic drafting file folder.

The original drafting file will then returned, intact, to it's folder and filed. For future reference, a copy of the transfer/copy request form will also be added to the "guts" of the original draft.

Subject: Draft

This is to follow up on our conversation on Tuesday. I am writing to request that LRB-1086 be drafted for introduction. The bill draft was initially drafted for consideration by the law revision committee. This morning the committee decided not to introduce it, but the cochairs felt it was a good bill. They asked me contact you to have it drafted for them. Could you draft companion bills it for introduction by Rep. Grothman and Sen. Lazich.

Thanks. I hope you move is going ok.

AN ACT *to renumber* 49.141 (5); and *to create* 49.141 (5) (bm) of the statutes;
 relating to: a grievance procedure for resolving complaints of employment
 displacement under the Wisconsin Works program and granting rule-making
 authority ~~(suggested as remedial legislation by the Department of Workforce~~
~~Development).~~

Analysis by the Legislative Reference Bureau

Under current law, as a condition of eligibility for the Wisconsin Works (W-2) program, an individual may be required to participate in a wholly or partially subsidized employment position. Current law prohibits a W-2 employer from creating a W-2 employment position by terminating employment of a regular employee or by filling a position that is vacant because a non-W-2 employee is on strike, is on layoff, or is engaged in a labor dispute. Under federal law, as a condition of receiving federal Temporary Assistance for Needy Families (TANF) funds, the Department of Workforce Development (DWD) must implement a grievance procedure to resolve complaints of alleged violations of these requirements.

This bill requires DWD to promulgate rules specifying a grievance procedure for resolving complaints of alleged violations of the requirements.

For further information, see the NOTES provided by the Law Revision Committee of the Joint Legislative Council.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

LAW REVISION COMMITTEE PREFATORY NOTE: This bill is a remedial legislation proposal, requested by the Department of Workforce Development and introduced by the Law Revision Committee under s. 13.83 (1) (c) 4., stats. After careful consideration of the various provisions of the bill, the Law Revision Committee has determined that this bill makes minor substantive changes in the statutes, and that these changes are desirable as a matter of public policy.

1 SECTION 1. 49.141 (5) of the statutes is renumbered 49.141 (5) (am).

2 SECTION 2. 49.141 (5) (bm) of the statutes is created to read:

3 49.141 (5) (bm) The department shall promulgate rules specifying a grievance
4 procedure for resolving complaints of alleged violations of par. (am).
