State of Wisconsin  
2003 - 2004 LEGISLATURE

LRB-2755/1

RNK:.....

JLD

2003 BILL

1      Gen      ✓ The plan period for  
AN ACT ...; relating to; county forest land use plans.

---

*Analysis by the Legislative Reference Bureau*

Under current law, a county board may enact an ordinance designating a committee to manage lands designated as county forests in that county. A comprehensive county forest land use plan must be prepared for the county forest land by that committee. The plan must include land use designations, land acquisition, forest protection, annual allowable timber harvests, recreational developments, projects to be undertaken during the plan period, and other information. The plan must be prepared for a 10-year period.

This bill requires that each county forest land use plan be prepared for a 15-year period rather than a 10-year period.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

---
