Importance: High

Aaron-
Highway Safety is planning to exec AB 831 on Wednesday, 18 February. There are a couple issues that came up during the hearing that Jerry would like addressed in an amendment. Because this Thursday is my last day, feel free to contact Tim Gary in Rep. Friske's office with any questions. Additionally, please deliver the stripes to Tim (Rep. Friske).

1. Per DOT's request, please include a delayed effective date. DOT would like 3 months to implement the provisions of the bill.
2. Delete section 3 of the bill, which eliminated the demerit point assessment.

Let me know if you have any questions or would like clarification of the amendment. I am available until end of the day Thursday to answer any questions.

Thanks-
Kathy
