2003 ASSEMBLY JOINT RESOLUTION

- 1 **Relating to:** the lives and tragic deaths of the Columbia ~~Space Shuttle~~ [✓] astronauts.
- 2 Whereas, the Columbia space shuttle's [✓] crew, comprised of men and women from
- 3 different nations and diverse backgrounds who represented the dreams and
- 4 aspirations of our nation and other nations ^y and who were dedicated to expanding
- 5 the boundaries of scientific research and space flight exploration; and
- 6 Whereas, their ^{plain} 16-day mission was pure science in which 80 experiments were
- 7 performed; and
- 8 Whereas, on February 1, 2003, while the space shuttle [✓] Columbia was coming
- 9 home from another successful mission, it disintegrated high above the Texas and
- 10 Louisiana skies as it descended toward a landing at the [✓] Kennedy Space Center at
- 11 Cape Canaveral, Florida; and
- 12 Whereas, the Columbia is the first space vehicle to be lost during [✓] reentry since
- 13 NASA's inception in 1958; and

1 Whereas, the wreck of the Columbia[✓] just minutes from landing^g tragically
2 reminded the people of the United States and the world that journeying into space
3 remains a perilous endeavor; and

4 Whereas, with the tragic loss of the Columbia, [✓] ~~we~~ ^{the people} are also reminded of the 1986
5 loss of the space shuttle Challenger[✓] and its crew; and

6 Whereas, the Columbia's commander, U.S. Air Force Colonel[✓] Rick D. Husband
7 had harbored an ambition to be an astronaut since boyhood; and

8 Whereas, as the mission neared its end, Columbia's commander called for a
9 moment of silence so the crew could mark the 17th[✓] anniversary of the explosion of
10 the Challenger during its launch; and

11 Whereas, U.S. Navy Commander William C. McCool, the Columbia's pilot, was
12 making his first trip into space; and

13 Whereas, U.S. Air Force Lieutenant Colonel[✓] Michael Anderson, the shuttle's
14 payload commander, U.S. Navy Captain David Brown, one of the Columbia's mission
15 specialists, and Mission Specialist Kalpana Chawla, aerospace engineer, were
16 veterans of earlier space missions and related activities; and

17 Whereas, Ilan Ramon was Israel's first astronaut; and

18 Whereas, Wisconsin was directly affected by the loss of U.S. Navy Commander
19 Laurel Clark, the Columbia's mission specialist, who considered Racine her
20 hometown and who received both a B.S.[✓] and ^{degree} medical degree from UW-Madison[✓]; now,
21 therefore[✓], be it

22 *Resolved by the assembly, the senate concurring, That* the members of the
23 Wisconsin[✓] Legislature honor the memory of these 7 astronauts, express their sorrow
24 at their deaths, share in the memory of their achievements, and extend their
25 condolences to their families and friends; and[✓], be it further

Mentkowski, Annie
