2 specified assembly amendments and assembly substitute amendments to an

PREFATORY NOTE: This resolution was prepared for the Joint Legislative Council's Special Committee on Improving Wisconsin's Fiscal Management.

The resolution creates Assembly Rule 54m which establishes that the Assembly shall not consider any Assembly amendment or Assembly substitute amendment to an executive budget bill that contains either of the following types of policy items:

As used in the Assembly rule, an "executive budget bill" includes the executive budget bill introduced under s. 16.47 (1m), stats., and any subsequent executive budget adjustment bill.

4 **Resolved by the assembly, That:**

5 **SECTION 1.** Assembly rule 54m is created to read:

Subject: RE: LRB-1492/P2

Peter,

I concur with your suggested change on page 3, line 13 in LRB-1492/P2. When you are redrafting LRB-1492/P2, please also make the following changes to this draft:

1. Page 1, in the first sentence of the prefatory note substitute "offered at the recommendation of" for "prepared for". (This reflects a style preference that I had missed when I prepared the original WLC draft.)
2. Page 3, line 5: amend the title of Joint Rule 51m to be "Identification of policy items in an executive budget bill."

Am I correct that the revised draft will be numbered LRB-1492/1?

Also, consistent with the style change in the prefatory note in LRB-1492/P2, please redraft both LRB-1493/1 and 1494/1 to substitute in the first sentences in their prefatory notes "offered at the recommendation of" for "prepared for".

Thanks for your help.

Peter,

I'd like to request the jacketing of the 3 resolutions you drafted for me that were developed by the JLC study committee on fiscal management: LRB-1492/1, LRB-1493/2 and LRB-1494/2. Should I be making this request to you or LRB support staff, since I didn't receive the e-mail note from LRB support staff on jacketing when I got copies of the resolutions?

Also, please draft, at the request of the Joint Legislative Council, a Senate joint resolution that is identical to LRB-1492/1, as we would like a Senate companion version of this joint resolution.

Thanks for the help.
