

**ASSEMBLY SUBSTITUTE AMENDMENT 1,
TO 2003 SENATE BILL 8**

November 25, 2003 – Offered by Representative JENSEN.

1 **AN ACT** *to create* 19.36 (13) of the statutes; **relating to:** withholding utility
2 security system plans from public inspection.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 19.36 (13) of the statutes is created to read:

4 19.36 (13) UTILITY SECURITY SYSTEM PLANS. (a) In this subsection:

5 1. “Security system plan” means a plan for the physical or electronic security
6 of facilities or information technology systems owned or operated by a utility,
7 including any information, photograph, audio or visual presentation, schematic
8 diagram, survey, recommendation, consultation, or other communication related to
9 such a plan, and including any threat assessment, vulnerability or capability
10 assessment, or threat response plan or any emergency evacuation plan.
