2001 SENATE BILL 454

February 20, 2002 - Introduced by JOINT COMMITTEE FOR REVIEW OF ADMINISTRATIVE RULES. Referred to Committee on Environmental Resources.

Regen

1 AN ACT to create 29.305 of the statutes; relating to: the beginning date
2 authorized for the hunting of ~~antlerless~~ antlerless deer in October.

Analysis by the Legislative Reference Bureau

Under current law, the department of natural resources (DNR) is required to establish open and closed seasons for fish and game as well as any bag limits, size limits, rest days, and conditions relating to the taking of fish and game that will conserve the fish and game supply. This bill prohibits DNR from promulgating a rule establishing a four-day deer herd control season in October during which a person is authorized to hunt ~~antlerless~~ antlerless deer with a firearm or with a bow and arrow, unless the rule requires that season to begin on the Thursday that immediately precedes the last Friday in October.

antlerless

* This bill is introduced as required by s. 227.19 (5) (e), stats., in support of the objection of the assembly committee on natural resources on November 7, 2001, and the objection of the joint committee for review of administrative rules on January 10, 2002, to the issuance of a portion of clearinghouse rule 00-154 by DNR. The portion of the proposed rule objected to provides that, if DNR establishes a temporary open season for the hunting of deer, it must establish a four-day deer herd control season for the hunting of ~~antlerless~~ antlerless deer with a firearm or with a bow and arrow to begin on the Thursday closest to October 22.

SENATE BILL 454

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 SECTION 1. 29.305^X of the statutes is created to read:

2 **29.305 Hunting antlerless[✓] deer; season dates.** The department may not
3 promulgate a rule establishing a 4-day deer herd control season in October during
4 which a person is authorized to hunt ~~antlerless~~^{antlerless} deer with a firearm or with a bow and
5 arrow unless the rule requires the season to begin on the Thursday that immediately
6 precedes the last Friday in October.
