

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-0299/1dn
MJL:kjf&kmg:jf

October 17, 2002

Because of the differences between California's code of civil procedure and Wisconsin's, this bill does not contain all provisions of the California bill. Please review it carefully to ensure that it carries out your intent. Note that I did not include an exception for "enforcement action" (see paragraph (d) of California bill) because I do not know what actions that phrase is intended to cover.
