## ASSEMBLY BILL 831

- 1 funds, changing requirements related to the maternal and child health  
2 program and family planning services, and requiring audits.

*Analysis by the Legislative Reference Bureau*

Under current law, federal funds passing through the state treasury and state and local funds may not be paid as ~~a grant, subsidy, or other funding that wholly or partially or directly or indirectly involves pregnancy programs, projects, or services and ~~state grant, subsidy, or other funding~~~~ under specific state programs (adolescent pregnancy prevention and pregnancy services, adolescent self-sufficiency and pregnancy prevention, adolescent choices, welfare and hygiene of maternity and infancy, family planning, pregnancy counseling, and outreach to low-income pregnant women and under federal maternal and child health services block grants), if the pregnancy program, project, or service using these federal, state, or local funds, using income derived from the funds, or using matching funds provides abortion services; promotes, encourages, or counsels in favor of abortion services; or makes abortion referrals either directly or through an intermediary in any instance other than when an abortion is directly and medically necessary to save the life of the pregnant woman. The funds also may not be paid if the pregnancy program, project, or service is funded from another source that requires performance of the abortion-related activities. The restriction applies only to the extent that applying it does not result in the loss of any federal funds. An organization that violates the prohibition may not receive the funds for 24 months after the violation and must return all funds paid under the grant, subsidy, or other funding; and the grant, subsidy, or other funding is terminated. This law ~~specifically does not prohibit~~ the providing of nondirective information explaining prenatal care and delivery; infant care, foster care, or adoption; or pregnancy termination.

Also under current law, federal funds passing through the state treasury and state and local funds may not be paid for the performance of an abortion other than an abortion that is directly and medically necessary to save the life of the pregnant woman, in a case of sexual assault or incest, or if, due to a medical condition existing before the abortion, the physician determines that the abortion is directly and medically necessary to prevent grave, long-lasting, physical health damage to the pregnant woman.

This bill expands the prohibitions on payment of public funds to an organization that engages in abortion-related activities, in the following ways:

1. The bill eliminates the provision that specifies that the prohibitions on the use of the funds apply only to the extent that applying them does not result in the loss of any federal funds; thus, the bill applies the prohibitions to all public funds, with the specific exceptions of medical assistance and badger care.

2. The bill applies the prohibition to abortion-related activities, except for abortions performed to save the life of the pregnant women, in cases of sexual assault or incest, or to prevent grave, long-lasting, physical health damage to the pregnant woman.

*exempts from prohibition*

**ASSEMBLY BILL 831**

3. The bill prohibits payment to an organization that is affiliated with an organization that engages in abortion-related activities or that receives funds from any source that requires, for receipt of the funds that the affiliate engage in abortion-related activities, unless the organizations are physically and financially independent from each other. Specifically, the two organizations may not share the same or a similar name; medical or nonmedical facilities, equipment, or supplies; services; income, grants, donations, and other revenue; financial accounts; fund-raising activities; expenses; employees; employee wages or salaries; databases; or marketing materials and other promotional products. They also may not be located in the same building, must be separately incorporated, and must maintain financial and database records that demonstrate that the affiliate receives no economic or marketing benefit from the funded organization.

4. The bill prohibits a publicly funded organization from transferring public funds to another organization or to an affiliate of the organization that provides abortion-related activities or that receives funds from any source that requires, for receipt of the funds, that the affiliate engage in abortion-related activities.

5. The bill changes the definition of "pregnancy program, project, or service" so as to apply the prohibitions to funding of an organization that provides *any* of several specified services, rather than *all* of the services.

6. The bill applies the prohibitions to an organization that engages in abortion-related activities, rather than an organization that uses program funds (public funds, income from public funds, or matching funds) for the abortion-related activities.

The bill also expands prohibited abortion-related activities that are related to promoting, encouraging, or counseling in favor of abortion services to include acting to assist women to obtain abortions; acting to increase the availability or accessibility of abortion for family planning purposes; lobbying for passage of legislation to increase the availability of abortion; providing speakers to promote the use of abortion; paying dues to a group that advocates abortion; using legal action to make abortion available; and developing or disseminating materials ~~advocating~~ abortion.

The bill authorizes the filing of a petition for a writ of mandamus or prohibition with the circuit court of the county where a violation of the prohibitions is alleged to have occurred or is proposed to occur. The bill also requires the legislative audit bureau to conduct an audit of each organization receiving the public funds to determine if the organization or the state agency or local governmental unit has strictly complied with the requirements or prohibitions. If the publicly funded organization is an affiliate of an organization that engages in abortion-related activities or that receives funds from any source that requires, for receipt of the funds, that the affiliate engage in abortion-related activities, the audit must be conducted annually.

Lastly, the bill eliminates authorization, including authorization under the maternal and child health and family planning laws, to provide nondirective information about pregnancy termination and, instead, specifies that an organization that receives the funds is not prohibited from promoting, encouraging,

or counseling in favor of or referring directly or through an intermediary for prenatal care and delivery and infant care, foster care, or adoption.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

1           **SECTION 1.** 20.9275 (1) of the statutes is renumbered 20.9275 (1r), and 20.9275  
2 (1r) (intro.) and (e), as renumbered, are amended to read:

3           20.9275 (1r) (intro.) In this section, except as otherwise specified:

4           (e) "Pregnancy program, project or service" means a program, project, or service  
5 of an organization that provides services for pregnancy prevention, family planning,  
6 as defined in s. 253.07 (1) (a), pregnancy testing, pregnancy counseling, prenatal  
7 care, pregnancy services and, or reproductive health care services that are related  
8 to pregnancy.

9           **SECTION 2.** 20.9275 (1g) of the statutes is created to read:

10           20.9275 (1g) It is the intent of the legislature that this section shall further the  
11 profound and compelling state interest in all of the following:

12           (a) To protect the life of an unborn child throughout pregnancy by favoring  
13 childbirth over abortion and implementing that value judgment through the  
14 allocation of public resources.

15           (b) To ensure that the state, state agencies, and local governmental units do not  
16 lend their imprimatur to abortion-related activities.

17           (c) To ensure that organizations that engage in abortion-related activities do  
18 not receive a direct or indirect economic or marketing benefit from public funds.

19           **SECTION 3.** 20.9275 (1r) (am) of the statutes is created to read:

1. Note that in this redraft of 2001 Assembly Bill 831 I have slightly changed the wording of the exception for medical assistance and badger care funding under s. 20.9275(2) (intro.), stats. Because that exception means that s. 20.9275 (2), stats., does not apply to that funding, it is unnecessary in s. 20.9275 (3), stats., to again refer to medical assistance and badger care; consequently, I have deleted that reference.

To Representative Liebham:

consequently, I have deleted that reference.

2. Section 20.9275 (6) in this draft permits the provision of public funding to an organization that is affiliated with an organization that engages in abortion-related activities, under specified restrictions. This language is, according to Ms. Mary Klaver, current Missouri law. Several of the specific restrictions proposed and drafted appear to exceed the limit specified in *Planned Parenthood of Mid-Missouri v. Dempsey*, 167 F.3d 458 (8th Cir. 1999), U.S. cert. den., 120 S. Ct. 501 (1999), however. The *Dempsey* court specified these restrictions as follows:

"To remain truly "independent" however, any affiliate that provides abortion services must not be directly or indirectly subsidized by a section 10.715 grantee . . . . No subsidy will exist if the affiliate that provides abortion services is separately incorporated, has separate facilities, and maintains adequate financial records to demonstrate that it receives no State family-planning funds." *Id.*, at 463.

In s. 20.9275 (6) (a), as proposed and drafted, the publicly funded organization and its affiliate are prohibited from occupying the same building and sharing, among other things, the same or a similar name; equipment or supplies; services; employees; and databases. Further, s. 20.9275 (6) (c) prohibits separation of program funds from other moneys by means of bookkeeping alone; the language is not specific as to what other methods must be employed to demonstrate that the financial independence exists. *Dempsey* required only separate incorporation and facilities and "adequate" financial records; the restrictions appear to go beyond those requirements and, with respect to s. 20.9275 (6) (c), are vague.

3. Lastly, the breadth of the prohibitions under s. 20.9275 (2) (a) 2., especially with respect to counseling in favor of an abortion and referral for an abortion, may impinge on the doctor-patient relationship to a degree that violates the First Amendment to the U. S. Constitution and article I, section 3, of the Wisconsin Constitution. Restrictions on counseling or referrals for abortion that were at one time placed on recipients of Title X funds under the 1988 federal regulations were upheld in *Rust v. Sullivan*, 500 U.S. 173, 111 S. Ct. 1759 (1991). With respect to the First Amendment challenge, the court found that programs covered by the restrictions did not significantly impinge on the doctor-patient relationship because that relationship was "not sufficiently all-encompassing" given that the program "does not provide post-conception medical

care." *Rust*, 500 U.S. at 200, 111 S. Ct. at 1776. By going further than the regulations at issue in *Rust* and extending restrictions on abortion counseling and referral to all activities of a physician who provides care under the affected funding, including the panoply of health care and services provided under s. 253.02, stats., the prohibitions created in this draft may be susceptible to a free speech challenge.

1 funds, changing requirements related to the maternal and child health  
2 program and family planning services, and requiring audits.

***Analysis by the Legislative Reference Bureau***

Under current law, federal funds passing through the state treasury and state and local funds may not be paid as funding that involves a pregnancy program, project, or service under a specific state program (adolescent pregnancy prevention and pregnancy services, adolescent self-sufficiency and pregnancy prevention, adolescent choices, welfare and hygiene of maternity and infancy, family planning, pregnancy counseling, and outreach to low-income pregnant women and a program under federal maternal and child health services block grants), if the pregnancy program, project, or service using these federal, state, or local funds, using income derived from the funds, or using matching funds provides abortion services; promotes, encourages, or counsels in favor of abortion services; or makes abortion referrals either directly or through an intermediary in any instance other than when an abortion is directly and medically necessary to save the life of the pregnant woman. The funds also may not be paid if the pregnancy program, project, or service is funded from another source that requires performance of the abortion-related activities. The restriction applies only to the extent that applying it does not result in the loss of any federal funds. An organization that violates the prohibition may not receive the funds for 24 months after the violation and must return all funds paid under the grant, subsidy, or other funding; and the grant, subsidy, or other funding is terminated. This law exempts from the prohibition the providing of nondirective information explaining prenatal care and delivery; infant care, foster care, or adoption; or pregnancy termination.

Also under current law, federal funds passing through the state treasury and state and local funds may not be paid for the performance of an abortion other than an abortion that is directly and medically necessary to save the life of the pregnant woman, in a case of sexual assault or incest, or if, due to a medical condition existing before the abortion, the physician determines that the abortion is directly and medically necessary to prevent grave, long-lasting, physical health damage to the pregnant woman.

This bill expands the prohibitions on payment of public funds to an organization that engages in abortion-related activities, in the following ways:

1. The bill eliminates the provision that specifies that the prohibitions on the use of the funds apply only to the extent that applying them does not result in the loss of any federal funds; thus, the bill applies the prohibitions to all public funds, ~~with the specific exceptions of medical assistance and budget care.~~

INSERT

3. The bill prohibits payment to an organization that is affiliated with an organization that engages in abortion-related activities or that receives funds from any source that requires, for receipt of the funds that the affiliate engage in abortion-related activities, unless the organizations are physically and financially independent from each other. Specifically, the two organizations may not share the same or a similar name; medical or nonmedical facilities, equipment, or supplies; services; income, grants, donations, and other revenue; financial accounts; fund-raising activities; expenses; employees; employee wages or salaries; databases; or marketing materials and other promotional products. They also may not be located in the same building, must be separately incorporated, and must maintain financial and database records that demonstrate that the affiliate receives no economic or marketing benefit from the funded organization.

4. The bill prohibits a publicly funded organization from transferring public funds to another organization or to an affiliate of the organization that provides abortion-related activities or that receives funds from any source that requires, for receipt of the funds, that the affiliate engage in abortion-related activities.

5. The bill changes the definition of “pregnancy program, project, or service” so as to apply the prohibitions to funding of an organization that provides *any* of several specified services, rather than *all* of the services.

6. The bill applies the prohibitions to an organization that engages in abortion-related activities, rather than an organization that uses program funds (public funds, income from public funds, or matching funds) for the abortion-related activities.

INSERT ANAL

The bill also expands prohibited abortion-related activities that are related to promoting, encouraging, or counseling in favor of abortion services to include acting to assist women to obtain abortions; acting to increase the availability or accessibility of abortion for family planning purposes; lobbying for passage of legislation to increase the availability of abortion; providing speakers to promote the use of abortion; paying dues to a group that advocates abortion; using legal action to make abortion available; and developing or disseminating materials that advocate abortion.

The bill authorizes the filing of a petition for a writ of mandamus or prohibition with the circuit court of the county where a violation of the prohibitions is alleged to have occurred or is proposed to occur. The bill also requires the Legislative Audit Bureau to conduct an audit every three years of each organization receiving the public funds to determine if the organization or the state agency or local governmental unit has strictly complied with the requirements or prohibitions. If the publicly funded organization is an affiliate of an organization that engages in abortion-related activities or that receives funds from any source that requires, for receipt of the funds, that the affiliate engage in abortion-related activities, the audit must be conducted annually.

Lastly, the bill eliminates authorization, including authorization under the maternal and child health and family planning laws, to provide nondirective information about pregnancy termination and, instead, specifies that an organization that receives the funds is not prohibited from promoting, encouraging,

or counseling in favor of or referring directly or through an intermediary for prenatal care and delivery and infant care, foster care, or adoption.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

1           **SECTION 1.** 20.9275 (1) of the statutes is renumbered 20.9275 (1r), and 20.9275  
2 (1r) (intro.) and (e), as renumbered, are amended to read:

3           20.9275 (1r) (intro.) In this section, except as otherwise specified:

4           (e) “Pregnancy program, project or service” means a program, project, or service  
5 of an organization that provides services for pregnancy prevention, family planning,  
6 as defined in s. 253.07 (1) (a), pregnancy testing, pregnancy counseling, prenatal  
7 care, pregnancy services and, or reproductive health care services that are related  
8 to pregnancy.

9           **SECTION 2.** 20.9275 (1g) of the statutes is created to read:

10          20.9275 (1g) It is the intent of the legislature that this section shall further the  
11 profound and compelling state interest in all of the following:

12          (a) To protect the life of an unborn child throughout pregnancy by favoring  
13 childbirth over abortion and implementing that value judgment through the  
14 allocation of public resources.

15          (b) To ensure that the state, state agencies, and local governmental units do not  
16 lend their imprimatur to abortion-related activities.

17          (c) To ensure that organizations that engage in abortion-related activities do  
18 not receive a direct or indirect economic or marketing benefit from public funds.

19          **SECTION 3.** 20.9275 (1r) (am) of the statutes is created to read:

**BILL**

1           20.9275 (1r) (am) “Family planning” means the process of establishing  
2 objectives for the number and spacing of one’s children and selecting the means by  
3 which those objectives may be achieved, including a broad range of acceptable and  
4 effective methods and services to limit or enhance fertility, including contraceptive  
5 methods, including natural family planning and abstinence; the management of  
6 infertility, including adoption; and preconceptional counseling, education, and  
7 general reproductive health care, including diagnosis and treatment of infections  
8 that threaten reproductive capability. “Family planning” does not include pregnancy  
9 care, including obstetric or prenatal care.

10           **SECTION 4.** 20.9275 (1r) (em) of the statutes is created to read:

11           20.9275 (1r) (em) “Prenatal care” means medical services provided to a  
12 pregnant woman to promote maternal and fetal health. and subject to sub. (3p),

13           **SECTION 5.** 20.9275 (2) (intro.) of the statutes is amended to read:

14           20.9275 (2) (intro.) ~~No~~ Except as provided in s. 20.927 (2) ~~and except for~~ funding  
15 under medical assistance, as defined in s. 49.43 (8), and badger care under s. 49.665,  
16 no state agency or local governmental unit may authorize payment of funds of this  
17 state, of any local governmental unit or, ~~subject to sub. (3m),~~ of federal funds passing  
18 through the state treasury as a grant, subsidy, or other funding that wholly or  
19 partially or directly or indirectly involves pregnancy programs, projects, or services,  
20 that is including a grant, subsidy, or other funding under s. 46.93, 46.99, 46.995,  
21 253.02 (2), 253.05, 253.07, 253.08, or 253.085 or 42 USC 701 to 710, if any of the  
22 following applies:

23           **SECTION 6.** 20.9275 (2) (a) 2. of the statutes is renumbered 20.9275 (2) (a) 2.

***Analysis by the Legislative Reference Bureau***

Under current law, federal funds passing through the state treasury and state and local funds may not be paid as funding that involves a pregnancy program, project, or service under a specific state program (adolescent pregnancy prevention and pregnancy services, adolescent self-sufficiency and pregnancy prevention, adolescent choices, welfare and hygiene of maternity and infancy, family planning, pregnancy counseling, and outreach to low-income pregnant women and a program under federal maternal and child health services block grants), if the pregnancy program, project, or service using these federal, state, or local funds, using income derived from the funds, or using matching funds provides abortion services; promotes, encourages, or counsels in favor of abortion services; or makes abortion referrals either directly or through an intermediary in any instance other than when an abortion is directly and medically necessary to save the life of the pregnant woman. The funds also may not be paid if the pregnancy program, project, or service is funded from another source that requires performance of the abortion-related activities. The restriction applies only to the extent that applying it does not result in the loss of any federal funds. An organization that violates the prohibition may not receive the funds for 24 months after the violation and must return all funds paid under the grant, subsidy, or other funding; and the grant, subsidy, or other funding is terminated. This law exempts from the prohibition the providing of nondirective information explaining prenatal care and delivery; infant care, foster care, or adoption; or pregnancy termination.

Also under current law, federal funds passing through the state treasury and state and local funds may not be paid for the performance of an abortion other than an abortion that is directly and medically necessary to save the life of the pregnant woman, in a case of sexual assault or incest, or if, due to a medical condition existing before the abortion, the physician determines that the abortion is directly and medically necessary to prevent grave, long-lasting, physical health damage to the pregnant woman.

This bill expands the prohibitions on payment of public funds to an organization that engages in abortion-related activities, in the following ways:

1. The bill eliminates the provision that specifies that the prohibitions on the use of the funds apply only to the extent that applying them does not result in the loss of any federal funds; thus, the bill applies the prohibitions to all public funds, except to the extent that applying the prohibitions would result in the loss, by a medical school or medical residency program, of accreditation from a national accrediting organization or agency.

2. The bill applies the prohibition to abortion-related activities other than to abortions that are performed to save the lives of pregnant women, in cases of sexual assault or incest, or to prevent grave, long-lasting, physical health damage to

**BILL**

pregnant women, as those particular abortions apply to funding for Medical Assistance and Badger Care.

3. The bill prohibits payment to an organization that is affiliated with an organization that engages in abortion-related activities or that receives funds from any source that requires, for receipt of the funds that the affiliate engage in abortion-related activities, unless the organizations are physically and financially independent from each other. Specifically, the two organizations may not share the same or a similar name; medical or nonmedical facilities, equipment, or supplies; services; income, grants, donations, and other revenue; financial accounts; fund-raising activities; expenses; employees; employee wages or salaries; databases; or marketing materials and other promotional products. They also may not be located in the same building, must be separately incorporated, and must maintain financial and database records that demonstrate that the affiliate receives no economic or marketing benefit from the funded organization.

4. The bill prohibits a publicly funded organization from transferring public funds to another organization or to an affiliate of the organization that provides abortion-related activities or that receives funds from any source that requires, for receipt of the funds, that the affiliate engage in abortion-related activities.

5. The bill changes the definition of "pregnancy program, project, or service" so as to apply the prohibitions to funding of an organization that provides *any* of several specified services, rather than *all* of the services.

6. The bill applies the prohibitions to an organization that engages in abortion-related activities, rather than an organization that uses program funds (public funds, income from public funds, or matching funds) for the abortion-related activities, except to the extent that applying the prohibitions would result in the loss, by a medical school or medical residency program, of accreditation from a national accrediting organization or agency.

The bill also expands prohibited abortion-related activities that are related to promoting, encouraging, or counseling in favor of abortion services to include acting to assist women to obtain abortions; acting to increase the availability or accessibility of abortion for family planning purposes; lobbying for passage of legislation to increase the availability of abortion; providing speakers to promote the use of abortion; paying dues to a group that advocates abortion; using legal action to make abortion available; and developing or disseminating materials that advocate abortion.

The bill authorizes the filing of a petition for a writ of mandamus or prohibition with the circuit court of the county where a violation of the prohibitions is alleged to have occurred or is proposed to occur. The bill also requires the Legislative Audit Bureau to conduct an audit every three years of each organization receiving the public funds to determine if the organization or the state agency or local governmental unit has strictly complied with the requirements or prohibitions. If the publicly funded organization is an affiliate of an organization that engages in abortion-related activities or that receives funds from any source that requires, for receipt of the funds, that the affiliate engage in abortion-related activities, the audit must be conducted annually.

**BILL**

Lastly, the bill eliminates authorization, including authorization under the maternal and child health and family planning laws, to provide nondirective information about pregnancy termination and, instead, specifies that an organization that receives the funds is not prohibited from promoting, encouraging, or counseling in favor of or referring directly or through an intermediary for prenatal care and delivery and infant care, foster care, or adoption.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

*The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:*

1        ✓ **SECTION 1.** 20.9275 (1) of the statutes is renumbered 20.9275 (1r), and 20.9275  
2 (1r) (intro.) and (e), as renumbered, are amended to read:

3            20.9275 (1r) (intro.) In this section, except as otherwise specified:

4            (e) “Pregnancy program, project or service” means a program, project, or service  
5 of an organization that provides services for pregnancy prevention, family planning,  
6 as defined in s. 253.07 (1) (a), pregnancy testing, pregnancy counseling, prenatal  
7 care, pregnancy services and, or reproductive health care services that are related  
8 to pregnancy.

9            **SECTION 2.** 20.9275 (1g) of the statutes is created to read:

10           20.9275 (1g) It is the intent of the legislature that this section shall further the  
11 profound and compelling state interest in all of the following:

12           (a) To protect the life of an unborn child throughout pregnancy by favoring  
13 childbirth over abortion and implementing that value judgment through the  
14 allocation of public resources.

15           (b) To ensure that the state, state agencies, and local governmental units do not  
16 lend their imprimatur to abortion-related activities.

17           (c) To ensure that organizations that engage in abortion-related activities do  
18 not receive a direct or indirect economic or marketing benefit from public funds.

**BILL**

2           (b) The organization that receives funds specified under sub. (2) (intro.) is  
3 separately incorporated from its independent affiliate to which sub. (2n) (a) or (b)  
4 applies.

5           (c) The organization that receives funds specified under sub. (2) (intro.)  
6 maintains financial records and database records that demonstrate that its  
7 independent affiliate to which sub. (2n) (a) or (b) applies receives no direct or indirect  
8 economic or marketing benefit from the program funds. Separation of program funds  
9 from other moneys by means of bookkeeping alone is not sufficient to meet the  
10 requirement of this paragraph.

11           **SECTION 21.** 20.9275 (7) of the statutes is created to read:

12           / 20.9275 (7) At least once every 3 years, the legislative audit bureau shall  
13 conduct an audit of each organization that receives the funds specified under sub. (2)  
14 (intro.) and the state agency or local governmental unit that authorizes payment of  
15 the funds to the organization, to determine if the organization, state agency, or local  
16 governmental unit has strictly complied with this section. If the organization is an  
17 affiliate of an organization to which sub. (2n) (a) or (b) applies, the legislative audit  
18 bureau shall conduct the audit at least annually.

19           / **SECTION 22.** 20.9275 (8) of the statutes is created to read:

20           20.9275 (8) A person may file a petition for a writ of mandamus or prohibition  
21 with the circuit court for the county where a violation of this section is alleged to have  
22 occurred or is proposed to occur.

23           **SECTION 23.** 253.02 (2m) (intro.) of the statutes is amended to read:

24           253.02 (2m) (intro.) Nothing in this section authorizes the performance,
