Subject: Amendment requests

Would you please draft an amendment for each of Senator Lasee's bills, 1447/1 (extraterritorial plat review), 1587/1 (require approval of town electors before city or village annexation may take effect), and 1588/1 (limitations on location of city or village annexation of town lands): **If we have existing boundary agreements under 66.037 (?) these agreements will supercede this law.** Obviously I didn't word it correctly but do you understand from my statement what Alan wants in the amendment?
