### *Analysis by the Legislative Reference Bureau*

✓ \* Under current law, a pupil enrolled in a public school in the 11th or 12th grade may attend an institution of higher education for one or more courses under the youth options program. The school board of the district in which the pupil is enrolled is responsible for paying the cost of tuition, fees, and books for the pupil under certain circumstances. ~~This bill provides that the school board is not responsible for payment for more than six credits in any semester. The bill also provides that, if a pupil fails to complete a course, the pupil must reimburse the school board the amount paid on the pupil's behalf.~~

~~Under current law, the Wisconsin higher education grant program (WHEG) provides need-based grants to resident undergraduates enrolled in the University of Wisconsin System, a technical college, or a tribal college. The tuition grant program provides need-based grants to resident undergraduates who attend private, nonprofit postsecondary institutions. This bill provides that pupils participating in the youth options program are eligible for both of these grant programs.~~

(wA) A pupil may not take more than 15 credits in any semester.

¶ This bill provides that a pupil may ~~not~~ take no more than two courses under the program. The ~~to~~ 15-credit limitation is eliminated.

~~This bill provides that the pupil may take no more than two courses under the program.~~
