2003 BILL

REGEN

1 AN ACT *to create* 36.25 (46) and subchapter V of chapter 39 [precedes 39.81] of
2 the statutes; **relating to:** requiring certain college students to be vaccinated
3 against or be informed about bacterial meningitis.

Analysis by the Legislative Reference Bureau

This bill prohibits the University of Wisconsin System and all private colleges and universities in Wisconsin from assigning an undergraduate student to a dormitory or residence hall unless: 1) the student provides proof that he or she has been vaccinated against bacterial meningitis within 12 months of the proposed assignment; or 2) the college or university has provided detailed information on the risks associated with bacterial meningitis and the availability and effectiveness of vaccines against the disease, and the student (or his or her parent or guardian, if the student is a minor) signs a waiver that he or she has reviewed the information and has chosen not to be vaccinated.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 SECTION 1. 36.25 (46) of the statutes is created to read:
5 36.25 (46) BACTERIAL MENINGITIS. The board may not assign an undergraduate
6 student to a dormitory or residence hall unless one of the following occurs:

BILL

1 (a) The student submits proof to the appropriate campus office that he or she
2 has been vaccinated against bacterial meningitis within 12 months of the proposed
3 assignment.

4 (b) The board provides detailed information on the risks associated with
5 bacterial meningitis and the availability and effectiveness of vaccines against the
6 disease to the student, if he or she is at least 18 years old, or to the student's parent
7 or guardian, if the student is a minor, and the individual who is provided the
8 information signs a waiver that he or she has reviewed the information and has
9 chosen not to be vaccinated or has chosen not to have the minor vaccinated.

10 **SECTION 2.** Subchapter V of chapter 39 [precedes 39.81] of the statutes is
11 created to read:

CHAPTER 39

SUBCHAPTER V

PRIVATE COLLEGES AND

UNIVERSITIES

16 **39.81 Bacterial meningitis.** A private college or university may not assign
17 an undergraduate student to a dormitory or residence hall unless one of the following
18 occurs:

19 (1) The student submits proof to the college or university that he or she has
20 been vaccinated against bacterial meningitis within 12 months of the proposed
21 assignment.

22 (2) The college or university provides detailed information on the risks
23 associated with bacterial meningitis and the availability and effectiveness of
24 vaccines against the disease to the student, if he or she is at least 18 years old, or to
25 the student's parent or guardian, if the student is a minor, and the individual who

BILL

1 is provided the information signs a waiver that he or she has reviewed the
2 information and has chosen not to be vaccinated or has chosen not to have the minor
3 vaccinated.

4 **SECTION 3. Initial applicability.**

5 (1) This bill first applies to students admitted to a college or university after
6 the effective date of this subsection.

2003 BILL

INS 1-2
to LRB-2640/2

1 AN ACT ~~to create 36.25 (46)~~ and subchapter V of chapter 39 [precedes 39.81] of
2 the statutes; relating to: requiring certain college students to be vaccinated
3 against or be informed about meningococcal disease.

Analysis by the Legislative Reference Bureau

This bill prohibits the University of Wisconsin System and all private colleges and universities in Wisconsin from permitting an undergraduate student to occupy a dormitory or residence hall unless: 1) the student provides proof that he or she has been vaccinated against meningococcal disease within 12 months of the initial occupancy of the dormitory or residence hall; or 2) the college or university has provided detailed information on the risks associated with meningococcal disease and the availability and effectiveness of vaccines against the disease and the student (or his or her parent or guardian, if the student is a minor) affirms that he or she has reviewed the information and has chosen not to be vaccinated.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4

SECTION 1. 36.25 (46) of the statutes is created to read:

BILL**PRIVATE COLLEGES AND
UNIVERSITIES**

1
2
3 **39.81 Meningococcal disease.** A private college or university may not
4 permit an undergraduate student to occupy a dormitory or residence hall unless one
5 of the following occurs:

6 (1) The student submits proof to the college or university that he or she has
7 been vaccinated against meningococcal disease within 12 months of his or her initial
8 occupancy of a dormitory or residence hall. After this initial proof of vaccination is
9 provided, the student is not required to provide proof for subsequent occupancies.
10 Proof of vaccination shall include documentation from the health care provider who
11 administered the vaccination or shall include a statement signed by the student or,
12 if the student is younger than 18 years of age, by the student's parent or guardian,
13 that specifies the date on which the vaccination was administered and the health
14 care provider who administered the vaccination or the facility at which the
15 vaccination was administered.

16 (2) The college or university provides detailed information on the risks
17 associated with meningococcal disease and the availability and effectiveness of
18 vaccines against the disease to the student, if he or she is at least 18 years old, or to
19 the student's parent or guardian, if the student is a minor, and the individual who
20 is provided the information affirms that he or she has reviewed the information and
21 has chosen not to be vaccinated or has chosen not to have the minor vaccinated. Once
22 the individual so affirms, the college or university is not required to obtain
23 subsequent affirmations.

24 **SECTION 3. Initial applicability.**
