***Analysis by the Legislative Reference Bureau******Engrossment information:***

The text of Engrossed 2003 Senate Bill 214, as passed by the senate on October 23, 2003, consists of the following documents adopted in the senate on that date: Senate Substitute Amendment 2, as affected by Senate Amendment 1 (as affected by chief clerk's corrections and Senate Amendment 1 to Senate Amendment 1), Senate Amendments 2, 4, and 22, and Senate Amendment 48 (as affected by chief clerk's correction).

***Content of Engrossed 2003 Senate Bill 214:******Current Law***

Under current law, no person other than a peace officer may go armed with a concealed and dangerous weapon. The "going armed with" language applies to, among others, cases in which a person is carrying a concealed weapon but has not gone and is not going anywhere with it and cases in which a weapon is readily accessible to — but not physically carried by — a person in a car. A person who violates the prohibition on going armed with a concealed and dangerous weapon may be fined not more than \$10,000 or imprisoned for not more than nine months or both. But under *State v. Hamdan*, 2003 WI 113, \_\_ Wis. 2d \_\_, it is unconstitutional to apply this prohibition to a person carrying a concealed weapon at his or her own business when: 1) the person's interest in carrying a concealed weapon substantially outweighs the state's interest in enforcing the concealed weapons law; 2) the person has no other reasonable means to keep and handle the weapon; and 3) the person is not motivated by an unlawful purpose in concealing it. The *Hamdan* court also indicated that the constitutional right to keep and bear arms for security must permit a person to carry a concealed weapon under certain circumstances in his or her own home.

Current law prohibits, with certain exceptions, going armed with or possessing a firearm in a number of places, such as in a public building, tavern, state park, or wildlife refuge or within 1,000 feet of the grounds of a school. Current law also prohibits, with certain exceptions, carrying a loaded or unencased firearm in an automobile, motorboat, or airplane. Moreover, no person may operate or go armed with a firearm while under the influence of alcohol, a controlled substance, or any other intoxicant. A person who violates one of these prohibitions is subject to civil or criminal penalties.

***Carrying a concealed weapon in your own home or business***

This bill permits a person to go armed with a concealed and dangerous weapon in his or her own home or place of business or on land that he or she owns, leases, or legally occupies, unless the person is prohibited under federal or state law from

**ENGROSSED SENATE BILL 214**

possessing that weapon (prohibitions that apply to firearms if, among other things, the person has been convicted of a misdemeanor crime of domestic violence or a felony; the person unlawfully uses a controlled substance; the person has been involuntarily committed to a mental health facility; or the person is subject to a stalking, harassment, or domestic abuse restraining order or a harassment, domestic abuse, or child abuse injunction).

***Licenses to carry a concealed weapon***

This bill creates a procedure by which a person may apply to a county sheriff for a license to carry a concealed weapon more generally. The license authorizes a person to carry (defined in the bill to mean to go armed with) a concealed weapon (defined in the bill as a handgun, a stungun, a tear gas gun, a knife other than a switchblade, or a billy club) anywhere in this state except in particular places specified in the bill. These specified places include a police station, sheriff's office, or state patrol station; a prison or jail; a tavern or a restaurant with a liquor license (unless: 1) the person owns or manages the tavern or restaurant; 2) the person is otherwise authorized to possess a handgun at the tavern or restaurant; or 3) the sale of alcohol accounts for no more than 50% of the tavern's or restaurant's receipts); a school administration building; an airport; a building used for religious purposes, for child care, or by a domestic violence services program or a hospital (unless the owner or authorized representative permits a person to carry a concealed weapon there); a building located on a college or university campus; a kindergarten facility; a building owned by the state or a local government if the building provides electronic screening and locked storage for weapons; and any place in which federal law prohibits the carrying of a weapon.

In addition, the bill permits a business owner or person in his or her own home to prohibit a licensee from carrying a concealed weapon into the business or home. A business owner, however, may enforce this restriction against an individual only if he or she has posted a notice regarding the restriction in a prominent place and has personally and orally notified the individual of the restriction. Moreover, a private employer may prohibit an employee from carrying a concealed weapon in the course of the employee's employment unless the employee is in his or her own vehicle.

The bill also prohibits any person from carrying a concealed weapon while having a blood alcohol concentration that exceeds 0.08. A law enforcement officer who arrests a person for violating that prohibition or for carrying a concealed weapon while under the influence of an intoxicant may require the person to submit to a breath, blood, or urine test to detect the presence of alcohol, controlled substances, or any other intoxicant.

In addition to authorizing licensees to carry concealed weapons, the bill exempts licensees from the prohibition on possessing firearms in a school zone under certain circumstances. Specifically, the bill authorizes a licensee to carry a handgun in a school zone if: 1) the licensee is in a motor vehicle or on a snowmobile or bicycle; 2) the licensee has exited from a motor vehicle and is encasing the handgun or storing it in the motor vehicle; or 3) the licensee is traveling directly between any two of the following places: any person's private property, the licensee's place of employment or

**ENGROSSED SENATE BILL 214**

business, or a place outside of the school zone. This exemption does not apply if the licensee is on the school grounds.

***Licensing requirements and procedure***

Under the bill, a county sheriff must issue a license to carry a concealed weapon to a person who meets the qualifications established in the bill for the license unless a court (in a procedure described below) has authorized the sheriff not to issue the license or unless the county board of the sheriff's county decides by a two-thirds vote, taken before the fourth month after the bill becomes law, to authorize the sheriff not to issue concealed weapons licenses. The county board's vote does not prohibit the sheriff from issuing licenses; he or she may still choose to do so. The bill also allows two or more sheriffs to enter into cooperative agreements under which the sheriffs may jointly issue licenses to carry a concealed weapon or exercise their other responsibilities under the bill.

The bill specifies the requirements that a person must satisfy to qualify for a license to carry a concealed weapon. Included among the requirements are the following: 1) he or she must be at least 21 years old; 2) he or she must not have a physical disability that prevents him or her from safely handling a weapon; 3) he or she must be eligible to possess a firearm under federal law; 4) he or she must not be prohibited from possessing a firearm under state law due to a felony conviction, a juvenile delinquency adjudication, an order issued in a civil commitment case, or any other order prohibiting the person from possessing a firearm; 5) he or she must not have been committed for the treatment of drug dependency during the preceding three years; 6) he or she must not have been convicted of an offense relating to controlled substances during the preceding three years; 7) he or she must not chronically or habitually use alcohol or other substances to the extent that his or her normal faculties are impaired; 8) he or she must have successfully completed a firearms training or safety course or class covering certain topics specified in the bill (unless the sheriff determines that the person should be exempt from that requirement based on his or her military training or experience in shooting competitions); 9) he or she must not have been subject to a finding of incompetency, the subject of a protective placement as a minor based on a developmental disability, found not guilty of a crime by reason of mental disease or mental defect, or involuntarily committed for treatment of mental illness during the preceding five years; 10) he or she must not have been convicted of one of a set of specified misdemeanors or serving a sentence for committing such a misdemeanor within the preceding three years; and 11) he or she must be a Wisconsin resident.

In addition, the bill requires the Department of Justice (DOJ) to conduct a background check of a person who applies for a license to carry a concealed weapon to help determine the person's eligibility for a license. The background check requirement does not apply to a person applying for a license if the person is a law enforcement officer, a correctional officer, a probation and parole agent, or a person holding a current certification from the law enforcement standards board.

If the sheriff determines that an applicant for a license is ineligible under one of these requirements, the sheriff must deny the person's application. Otherwise, the sheriff must issue the person a license within 30 days of receiving the completed

**ENGROSSED SENATE BILL 214**

application, but with one exception. If an applicant committed a misdemeanor described in item 10) above that, because of the passage of time, no longer disqualifies him or her from obtaining a license, and the sheriff believes that the person would pose a substantial risk to others if he or she were granted a license, the sheriff may petition the circuit court to enter an order barring the person from receiving a license. The court may enter the order only if it determines, by clear and convincing evidence, that the person would pose a substantial risk to others if he or she were granted a license.

Furthermore, the bill does all of the following:

1. Allows a sheriff to issue an emergency license to an individual if the sheriff determines that immediate licensure is warranted to protect the individual from death or great bodily harm.
2. Provides that a license to carry a concealed weapon is valid for five years and establishes a renewal procedure that includes a background check of the person renewing the license.
3. Requires a sheriff to revoke a license to carry a concealed weapon if the licensee no longer meets all of the requirements for licensure.
4. Requires a sheriff to suspend a license to carry a concealed weapon if the licensee is the subject of a civil or criminal case that may ultimately lead to the revocation of the license or if the licensee, after being charged with a misdemeanor, is ordered by the court not to possess a firearm.
5. Provides that a person whose application for a license is denied or whose license is suspended or revoked by the sheriff may appeal the sheriff's action to circuit court for review by a judge.
6. Specifies the information that must be on a license to carry a concealed weapon and an application for such a license and requires DOJ to design the form of the license and the license application and renewal forms.
7. Requires DOJ to keep a computerized list of licensees but specifies that DOJ may provide information from that list regarding a specific licensee only to law enforcement agencies and only in certain specified circumstances.
8. Requires each circuit court, through its computer system, or the clerk of the court or the register in probate if the court's computer system cannot do so, to notify DOJ of court proceedings relating to licensees and nonlicensees (including juvenile delinquency and mental health commitment proceedings that are closed to the public) if those proceedings will require suspension or revocation of the person's license if he or she is a licensee.
9. Requires each licensee to notify the sheriff within ten days after being charged with a crime or a drunk driving offense under federal law or the law of another state.
10. Requires a person who applies for a license to carry a concealed weapon to pay an application fee, which may not exceed either the cost to the sheriff of issuing the license or \$75, whichever is less; an \$8 background check fee (unless, in the case of a person applying for an emergency license, the sheriff waives the fee); a \$15 shooting range improvement fee, to be used by the sheriff to provide grants for the construction and improvement of shooting ranges; and a \$15 law enforcement

**ENGROSSED SENATE BILL 214**

excellence fund fee, to be used by the sheriff to improve law enforcement services in his or her county.

11. Grants immunity from liability for conduct undertaken in good faith under the bill to DOJ and its employees; sheriffs and their employees; various other court and county employees; persons providing firearm training or safety classes; business or nonprofit organizations that permit persons to carry concealed weapons on their property; and employers that permit their employees to carry concealed weapons.

12. Treats a license or permit issued by another state in the same manner as a license issued under this bill if the state required the person to undergo training and submit to a background check as a condition of licensure.

***New and revised penalties***

The bill establishes new penalties and changes certain others for offenses relating to licenses to carry a concealed weapon. First, a licensee who fails to carry his or her license document or who fails to display it upon the request of a law enforcement officer while the person is carrying a concealed weapon may be required to forfeit \$25. Second, a licensee who carries a concealed weapon in a place where the license does not authorize him or her to do so, other than a home or business where a resident or business owner has imposed his or her own restriction on carrying a concealed weapon, may be fined not more than \$1,000 or imprisoned for not more than 90 days or both. Third, if a person has a blood alcohol concentration that exceeds 0.08 or is under the influence of an intoxicant while carrying a concealed weapon, the person may be fined not more than \$1,000 or imprisoned for not more than 90 days or both. The same penalties apply if, after a person is arrested for carrying a concealed weapon under those circumstances, her or she refuses to submit to a breath, blood, or urine test. At the same time, the bill exempts a licensee who is carrying a concealed handgun from the prohibition in current law against going armed with a firearm while under the influence of an intoxicant, a conviction for which would otherwise result in: 1) the person being subject, as a Class A misdemeanor, to a maximum fine of \$10,000 or a maximum term of imprisonment of nine months or both; and 2) the person being ineligible for a license. Fourth, under current law, possession of a firearm in a school zone is a Class I felony (punishable by a maximum fine of \$10,000 or a maximum term of imprisonment of three and one-half years or both), while possessing other types of dangerous weapons on school grounds is a Class A misdemeanor or, for a repeat offender, a Class I felony. A conviction under either of these provisions would also make a person ineligible for a license. This bill exempts licensees from these penalties. Instead, licensees who carry handguns in a school zone in places or under circumstances in which he or she may not do so or who carry electric weapons, tear gas guns, knives, or billy clubs on school grounds are subject to a maximum fine of \$1,000 or a maximum term of imprisonment of 90 days or both. Fifth, a person who does any of the following must be fined not less than \$500 nor more than \$10,000 and may be imprisoned for not more than nine months: 1) intentionally makes a false statement in an application for a license; 2) intentionally fails to report being charged under federal law or the law of another state with any crime or any drunk driving offense within ten days

**ENGROSSED SENATE BILL 214**

after being charged; or 3) intentionally fails to relinquish a license document to a sheriff after the license has been revoked.

***Background checks for handgun purchasers***

This bill makes certain changes in the law relating to background checks for handgun purchasers. Under current law, when a person seeks to purchase a handgun from a licensed handgun dealer, the dealer must ask DOJ to conduct a background check on the person. In conducting the background check, DOJ searches DOJ records to determine whether the person is ineligible to possess a firearm under state law, but it does not attempt to determine whether federal law bars the person from possessing a firearm based on criteria not covered by state law. This bill requires DOJ, when conducting a background check on a prospective handgun purchaser, to determine whether the person has been the subject of a court order or finding in a Wisconsin court based on the person's mental health that would render the person ineligible to possess a firearm under federal law. Specifically, DOJ must determine if: 1) the person was the subject of a court order committing the person for treatment in an inpatient mental health facility or a finding by a court that the person is a danger to himself or herself or others or lacks the mental capacity to contract or manage his or her own affairs; 2) the person did not commence the proceeding in which the order was entered or the finding was made; and 3) the order or finding was based on the person having markedly subnormal intelligence or the person's mental illness, incompetency, condition, or disease. If DOJ determines that the prospective purchaser was the subject of such an order or determination, the dealer may not sell the person a handgun.

7 chemical test.

8           4. ‘Validity; procedure.’ A chemical test of blood or urine conducted for the

12 test of blood or urine conducted for the purpose of authorized analysis under this  
13 subsection. Blood may be withdrawn from a person arrested for a violation of sub.  
14 (16) (cm) 1. only by a physician, registered nurse, medical technologist, physician

21 a written report which shall include the findings of the chemical test, the

5 provide a sample or to submit to a test under par. (a) 1., the person may request the  
6 test facility to administer the additional chemical test specified under par. (b) 3. or,  
7 at his or her own expense, reasonable opportunity to have any qualified person  
8 administer a chemical test of his or her breath, blood, or urine for the purpose of  
9 authorized analysis.

10 2. 'Optional test.' If a person is arrested for a violation of sub. (16) (cm) 1. and

12 1., the person may request the test facility to administer a chemical test of his or her  
13 breath or, at his or her own expense, reasonable opportunity to have any qualified  
14 person administer a chemical test of his or her breath, blood, or urine for the purpose  
15 of authorized analysis. If a test facility is unable to perform a chemical test of breath,  
16 the person may request the test facility to administer the designated chemical test  
17 under par. (b) 2. or the additional chemical test under par. (b) 3.

18 3. 'Compliance with request.' A test facility shall comply with a request under  
19 this paragraph to administer any chemical test that it is able to perform.

20 4. 'Inability to obtain chemical test.' The failure or inability of a person to

22 evidence of the results of a chemical test required and administered under pars. (a)  
23 and (b).

24 (d) *Admissibility; effect of test results; other evidence.* The results of a chemical

8 qualifications under sub. (3) (h).

9 (e) A full-face photograph of the applicant taken within the 30-day period  
10 immediately preceding the date of the applicant's application.

11 (9) PROCESSING OF APPLICATION. (a) Upon receiving an application submitted  
12 under sub. (7), a sheriff shall request that the department conduct a background  
13 check, as provided under sub. (9g).

14 (b) Subject to pars. (c) and (d), within 30 days after receiving an application  
15 under sub. (7), a sheriff shall do one of the following:

16 1. Issue the license and promptly send the licensee his or her license document  
17 by 1st class mail.

18 2. Deny the application, but only if the applicant fails to qualify under the  
19 criteria specified in sub. (3). If the sheriff denies the application, he or she shall  
20 inform the applicant in writing, stating the reason and factual basis for the denial  
21 to the extent permitted under federal law.

22 (c) Except as provided in sub. (9r) or (10), a sheriff may not issue a license until  
23 7 days, subject to extension under sub. (9g) (b) 3. c., have elapsed from the time that  
24 the sheriff has received a confirmation number regarding the background check  
25 under sub. (9g) (b) 1. from the department, unless the department has notified the

**ENGROSSED SENATE BILL 214**

1 sheriff that the background check does not indicate that the applicant is disqualified  
2 for a license under sub. (3) (c), (d), (e), (f), (g), (i), (im), (j), (k), (L), (m), (n), (o), or (r).

3 (d) The time period specified in par. (b) is tolled during the pendency of any  
4 action brought under sub. (10m).

5 **(9g) BACKGROUND CHECKS.** (a) A sheriff shall request that the department  
6 conduct a background check by calling the department, using a toll-free telephone  
7 number provided by the department, and providing the department with the name,  
8 date of birth, gender, and race of the applicant.

9 (b) Upon receiving a request under par. (a), the department shall conduct a  
10 background check using the following procedure:

11 1. The department shall provide the sheriff with a confirmation number  
12 confirming the receipt of the information under par. (a).

13 2. The department shall conduct the background check regarding an applicant  
14 for a license under this section. In conducting a background check under this  
15 subdivision, the department shall use the transaction information for management  
16 of enforcement system and the national crime information center system.

17 3. The department shall notify the sheriff, either during the initial telephone  
18 call or as soon thereafter as practicable, of the results of the background check as  
19 follows:

20 a. If the background check indicates that the applicant does not qualify for a  
21 license under sub. (3) (c), (d), (e), (f), (g), (i), (im), (j), (k), (L), (m), (n), (o), or (r), the  
22 department shall provide the sheriff with a unique nonapproval number. The  
23 department shall disclose to the sheriff the reason the applicant does not qualify for  
24 a license under sub. (3) (c), (d), (e), (f), (g), (i), (im), (j), (k), (L), (m), (n), (o), or (r).

**ENGROSSED SENATE BILL 214**

1           b. If the completed background check does not indicate that the applicant is  
2 disqualified for a license under sub. (3) (c), (d), (e), (f), (g), (i), (im), (j), (k), (L), (m),  
3 (n), (o), or (r), the department shall provide the sheriff with a unique approval  
4 number.

5           c. If the background check indicates that the applicant was the subject of a  
6 relevant criminal charge for which there is no recorded disposition or if, in the case  
7 of a misdemeanor delinquency adjudication, the background check does not indicate  
8 how long the resultant dispositional order was in effect, and the 7-day time period  
9 described in sub. (9) (c) has not yet run, that time period is extended by 72 hours.  
10 The department shall notify the sheriff of the extension as soon as practicable.  
11 During the extended period, the department shall make all reasonable efforts to  
12 obtain the missing information and shall notify the sheriff of the results of its efforts  
13 as soon as practicable.

14           (bm) The department shall conduct the background check under par. (b)  
15 immediately if, when requesting it under par. (a), the sheriff informs the department  
16 that the background check is for an applicant for an emergency license under sub.  
17 (9r).

18           (c) The department shall charge a sheriff a fee of \$8 for each background check  
19 that the sheriff requests under par. (a), except that the department shall waive the  
20 fee if, when requesting the background check, the sheriff informs the department  
21 that the fee is being waived under sub. (9r) (c). The sheriff shall collect the fee from  
22 the applicant unless the fee is waived under sub. (9r) (c).

23           (d) A sheriff shall maintain the original record of all completed application  
24 forms and a record of all confirmation numbers and corresponding approval or  
25 nonapproval numbers that he or she receives regarding background checks under

**ENGROSSED SENATE BILL 214**

1 this subsection. The sheriff shall mail a duplicate copy of each completed application  
2 form to the department.

3 (e) 1. The department shall check each duplicate application form received  
4 under par. (d) against the information recorded by the department regarding the  
5 corresponding request for a background check under this subsection. If the  
6 department previously provided a unique approval number regarding the request  
7 and nothing in the duplicate completed application form indicates that the applicant  
8 is not qualified for a license under sub. (3) (c), (d), (e), (f), (g), (i), (im), (j), (k), (L), (m),  
9 (n), (o), or (r), the department shall, except as provided in subd. 2., destroy all records  
10 regarding that background check within 30 days after receiving the duplicate form.  
11 If the department previously provided a unique approval number regarding the  
12 request and the duplicate completed application form indicates that the applicant is  
13 not qualified for a license under sub. (3) (c), (d), (e), (f), (g), (i), (im), (j), (k), (L), (m),  
14 (n), (o), or (r), the department shall immediately notify the sheriff who issued the  
15 license, and the sheriff shall revoke the license.

16 2. The department may maintain records necessary to administer this  
17 subsection and, for a period of not more than 3 years after the department issues a  
18 unique approval number, a log of dates of requests for background checks under this  
19 subsection together with confirmation numbers and unique approval and  
20 nonapproval numbers corresponding to those dates.

21 (f) The department shall promulgate rules authorizing it to obtain records  
22 necessary to determine an applicant's eligibility under sub. (3) (e), (g) 1., (i), (im), and  
23 (j) for a license issued under this section. The department may not disclose  
24 information that it obtains under rules issued under this paragraph except to a  
25 sheriff under par. (b) 3. or sub. (9r) (b) 2. or (11) (d) 3.

**ENGROSSED SENATE BILL 214**

1           **(9r) EMERGENCY LICENSE.** (a) Unless the sheriff knows that the person is not  
2 qualified for a license under sub. (3) (a) to (g) or (i) to (s), a sheriff may issue a license  
3 under this section to an individual who does not satisfy the requirements under sub.  
4 (3) (h) without regard for the waiting period under sub. (9) (c) if the sheriff determines  
5 that immediate licensure is warranted to protect the individual from death or great  
6 bodily harm, as defined in s. 939.22 (14). A sheriff who issues a license under this  
7 paragraph shall notify the department and request an immediate background check  
8 under sub. (9g).

9           (b) 1. Except as provided in subd. 2. and par. (d), a license issued under par. (a)  
10 is valid for 120 days from the date on which it is issued and may not be renewed.

11           2. If the department notifies the sheriff that an individual to whom the sheriff  
12 has issued a license under par. (a) does not qualify for a license under sub. (3) (c), (d),  
13 (e), (f), (g), (i), (im), (j), (k), (L), (m), (n), (o), or (r), the sheriff shall revoke the license.

14           (c) A sheriff may waive the fees that would otherwise be required under subs.  
15 (7) (bd), (bh), (bp), and (bt) and (9g) (c) for an individual who is applying for a license  
16 under par. (a) if requiring the individual to pay the fees would create a hardship for  
17 the individual. The department shall promulgate rules specifying the procedures  
18 and definitions that the sheriff is required to apply when determining whether an  
19 individual is eligible for a waiver of the fees for an emergency license under this  
20 section as provided under this paragraph.

21           (d) A person who has been issued a license under par. (a) may obtain a license  
22 under sub. (2) if he or she meets the qualifications specified under sub. (3) and  
23 completes the application process specified in sub. (7). A license issued to a person  
24 under par. (a) is void if the person is issued a license under sub. (2).

**ENGROSSED SENATE BILL 214**

1           **(10) EXEMPTION FROM BACKGROUND CHECK.** Notwithstanding subs. (9) (a) and

8 standards board under s. 165.85 (3) (c).

9           **(10m) DISQUALIFICATION PETITION REGARDING CERTAIN MISDEMEANANTS.** (a) If a  
10 sheriff receives an application for a license under this section from a person who has  
11 committed a misdemeanor crime of violence and the person is eligible for a license  
12 under sub. (3) (m), the sheriff may file a petition under this subsection asking the  
13 circuit court to enter an order barring the person from receiving a license. The  
14 petition shall allege that the person would pose a substantial risk to others if the  
15 person were granted a license under this section.

16           (b) The sheriff shall file any such petition in the circuit court of the sheriff's  
17 county, or if applicable, the circuit court of the county of issuance designated under  
18 sub. (2) (c). The sheriff may not file the petition more than 30 days after receiving  
19 the person's completed application, unless the person was issued a license under sub.  
20 (9r). The court shall allow the person 30 days to file an answer to the petition. The  
21 court may hold an evidentiary hearing on the petition.

22           (c) If the court determines, by clear and convincing evidence, that the person  
23 would pose a substantial risk to others if the person were granted a license under this  
24 section, the court shall enter an order prohibiting the person from obtaining a license  
25 under this section.

**ENGROSSED SENATE BILL 214**

1 (d) If the court denies the sheriff's petition, the court shall award the person  
2 costs and reasonable attorney fees.

3 (e) The court shall expedite any proceeding brought under this subsection.

4 (11) LICENSEE INFORMATION. (a) A sheriff who issues licenses to carry a  
5 concealed weapon under this section shall, within 5 days after issuing a license,  
6 notify the department that he or she has issued a license under this section and  
7 provide the department with the information specified in sub. (2m) (b) concerning the  
8 individual to whom the license was issued.

9 (am) The department shall maintain a computerized record listing the names  
10 of all individuals who have been issued a license under this section along with the  
11 information concerning each individual that is provided to the department by a  
12 sheriff under par. (a). After entering the information that it receives under par. (a),  
13 the department may not store, maintain, format, sort, or access the information in  
14 any way other than by the name of the licensee or the identification number assigned  
15 to the licensee under sub. (2m) (b) 8.

16 (c) 1. The department and any sheriff issuing licenses under this section shall  
17 provide information concerning a specific licensee to a law enforcement agency, but  
18 only if the law enforcement agency is requesting the information for any of the  
19 following purposes:

20 a. To confirm that a license produced by an individual at the request of a law  
21 enforcement officer is valid.

22 b. To confirm that the individual holds a valid license under this section, if the

3 statement to a sheriff in connection with the individual's request for an emergency  
4 license under sub. (9r).

5           2. If the department maintains information compiled under this section  
6 regarding licensees through the transaction information for the management of  
7 enforcement system and a law enforcement officer uses that system in the context  
8 of a vehicle stop that meets the requirements of s. 349.02 (2) (a), the law enforcement  
9 officer may only obtain information from that system regarding the licensee's status  
10 as a licensee for the purposes listed in subd. 1.

11           (d) 1. In this paragraph:

12           a. "Clerk" means the clerk of the circuit court or, if it has enacted a law or an  
13 ordinance in conformity with s. 346.63, the clerk of the court for a federally

15           b. "Court automated information systems" means the systems under s. 758.19  
16 (4).

17           2. The court automated information systems, or the clerk or register in probate,  
18 if the information is not contained in or cannot be transmitted by the court  
19 automated information systems, shall promptly notify the department of the name

5 in subd. 2. a. or b.

22 issued the license of the individual's name and the basis for the notice under subd.  
23 2.

22 2. If the sheriff suspends a license under subd. 1., he or she shall restore the  
23 license if, upon disposition of the case, the person to whom the license was issued  
24 meets all of the criteria specified in sub. (3).

**ENGROSSED SENATE BILL 214**

7 the answer, except that in cases of alleged irregularities in procedure by the sheriff  
8 the court may take testimony that the court determines is appropriate.

9 (f) The court shall affirm the sheriff's action unless the court finds any of the

13 interpretation compels a different action.

14 3. That the sheriff's action depends on a finding of fact that is not supported
