3. 'Additional chemical test.' A test facility shall specify one chemical test of breath, blood, or urine, other than the test designated under subd. 2., which it is prepared to administer for the purpose of authorized analysis as an additional chemical test.

4. 'Validity; procedure.' A chemical test of blood or urine conducted for the purpose of authorized analysis is valid as provided under s. 343.305 (6). The duties and responsibilities of the laboratory of hygiene, department of health and family services, and department of transportation under s. 343.305 (6) apply to a chemical test of blood or urine conducted for the purpose of authorized analysis under this subsection. Blood may be withdrawn from a person arrested for a violation of sub. (16) (cm) 1. only by a physician, registered nurse, medical technologist, physician assistant, or person acting under the direction of a physician and the person who withdraws the blood, the employer of that person, and any hospital where blood is withdrawn have immunity from civil or criminal liability as provided under s. 895.53.

5. 'Report.' A test facility which administers a chemical test of breath, blood, or urine for the purpose of authorized analysis under this subsection shall prepare a written report which shall include the findings of the chemical test, the identification of the law enforcement officer or the person who requested a chemical test, and the identification of the person who provided the sample

or submitted to the chemical test. The test facility shall transmit a copy of the report to the law enforcement officer and the person who provided the sample or submitted to the chemical test.

(c) *Additional and optional chemical tests.* 1. 'Additional chemical test.' If a person is arrested for a violation of sub. (16) (cm) 1. and if the person is requested to provide a sample or to submit to a test under par. (a) 1., the person may request the test facility to administer the additional chemical test specified under par. (b) 3. or, at his or her own expense, reasonable opportunity to have any qualified person administer a chemical test of his or her breath, blood, or urine for the purpose of authorized analysis.

2. 'Optional test.' If a person is arrested for a violation of sub. (16) (cm) 1. and if the person is not requested to provide a sample or to submit to a test under par. (a) 1., the person may request the test facility to administer a chemical test of his or her breath or, at his or her own expense, reasonable opportunity to have any qualified person administer a chemical test of his or her breath, blood, or urine for the purpose of authorized analysis. If a test facility is unable to perform a chemical test of breath, the person may request the test facility to administer the designated chemical test under par. (b) 2. or the additional chemical test under par. (b) 3.

3. 'Compliance with request.' A test facility shall comply with a request under this paragraph to administer any chemical test that it is able to perform.

4. 'Inability to obtain chemical test.' The failure or inability of a person to obtain a chemical test at his or her own expense does not preclude the admission of evidence of the results of a chemical test required and administered under pars. (a) and (b).

(d) *Admissibility; effect of test results; other evidence.* The results of a chemical test required or administered under par. (a), (b), or (c) are admissible in any civil or criminal action or proceeding arising out of the acts committed by a person alleged to have violated sub. (16) (cm) 1. on the issue of whether the person had alcohol concentrations at or above specified levels or was under the influence of an intoxicant. Results of these chemical tests shall be given the effect required under s. 885.235. This subsection does not limit the right of a law enforcement officer to obtain evidence by any other lawful means.

(e) *Refusal.* No person may refuse a lawful request to provide one or more samples of his or her breath, blood, or urine or to submit to one or more chemical tests under par. (a). A person shall not be deemed to refuse to provide a sample or to submit to a chemical test if it is shown by a preponderance of the evidence that the refusal was due to a physical inability to provide the sample or to submit to the test due to a physical disability or disease unrelated to the use of an intoxicant. Issues in any

action concerning a violation of par. (a) or this paragraph are limited to:

1. Whether the law enforcement officer had probable cause to believe the person was violating or had violated sub. (16) (cm) 1.

2. Whether the person was lawfully placed under arrest for violating sub. (16) (cm) 1.

3. Whether the law enforcement officer requested the person to provide a sample or to submit to a chemical test and provided the information required under par. (a) 2. or whether the request and information were unnecessary under par. (a) 3.

4. Whether the person refused to provide a sample or to submit to a chemical test.

(9g) (b) 3. c., have elapsed from the time that the sheriff has received a confirmation number regarding the background check under sub. (9g) (b) 1. from the department, unless the department has notified the sheriff that the background check does not indicate that the applicant is disqualified for a license under sub. (3) (c), (d), (e), (f), (g), (i), (im), (j), (k), (L), (m), (n), (o), or (r).

(d) The time period specified in par. (b) is tolled during the pendency of any action brought under sub. (10m).

1. The department shall provide the sheriff with a confirmation number confirming the receipt of the information under par. (a).

2. The department shall conduct the background check regarding an applicant for a license under this section. In conducting a background check under this subdivision, the department shall use the transaction information for management of enforcement system and the national crime information center system.

3. The department shall notify the sheriff, either during the initial telephone call or as soon thereafter as practicable, of the results of the background check as follows:

a. If the background check indicates that the applicant does not qualify for a license under sub. (3) (c), (d), (e), (f), (g), (i), (im), (j), (k), (L), (m), (n), (o), or (r), the department shall provide the sheriff with a unique nonapproval number. The department shall disclose to the sheriff the reason the applicant does not qualify for a license under sub. (3) (c), (d), (e), (f), (g), (i), (im), (j), (k), (L), (m), (n), (o), or (r).

b. If the completed background check does not indicate that the applicant is disqualified for a license under sub. (3) (c), (d), (e), (f), (g), (i), (im), (j), (k), (L), (m), (n), (o), or (r), the department shall provide the sheriff with a unique approval number.

c. If the background check indicates that the applicant was the subject of a relevant criminal charge for which there is no recorded disposition or if, in the case of a misdemeanor delinquency adjudication, the back-

ground check does not indicate how long the resultant dispositional order was in effect, and the 7-day time period described in sub. (9) (c) has not yet run, that time period is extended by 72 hours. The department shall notify the sheriff of the extension as soon as practicable. During the extended period, the department shall make all reasonable efforts to obtain the missing information and shall notify the sheriff of the results of its efforts as soon as practicable.

(bm) The department shall conduct the background check under par. (b) immediately if, when requesting it under par. (a), the sheriff informs the department that the background check is for an applicant for an emergency license under sub. (9r).

(c) The department shall charge a sheriff a fee of \$8 for each background check that the sheriff requests under par. (a), except that the department shall waive the fee if, when requesting the background check, the sheriff informs the department that the fee is being waived under sub. (9r) (c). The sheriff shall collect the fee from the applicant unless the fee is waived under sub. (9r) (c).

(d) A sheriff shall maintain the original record of all completed application forms and a record of all confirmation numbers and corresponding approval or non-approval numbers that he or she receives regarding background checks under this subsection. The sheriff shall mail a duplicate copy of each completed application form to the department.

(e) 1. The department shall check each duplicate application form received under par. (d) against the information recorded by the department regarding the corresponding request for a background check under this subsection. If the department previously provided a unique approval number regarding the request and nothing in the duplicate completed application form indicates that the applicant is not qualified for a license under sub. (3) (c), (d), (e), (f), (g), (i), (im), (j), (k), (L), (m), (n), (o), or (r), the department shall, except as provided in subd. 2., destroy all records regarding that background check within 30 days after receiving the duplicate form. If the department previously provided a unique approval number regarding the request and the duplicate completed application form indicates that the applicant is not qualified for a license under sub. (3) (c), (d), (e), (f), (g), (i), (im), (j), (k), (L), (m), (n), (o), or (r), the department shall immediately notify the sheriff who issued the license, and the sheriff shall revoke the license.

2. The department may maintain records necessary to administer this subsection and, for a period of not more than 3 years after the department issues a unique approval number, a log of dates of requests for background checks under this subsection together with confirmation numbers and unique approval and nonapproval numbers corresponding to those dates.

(f) The department shall promulgate rules authorizing it to obtain records necessary to determine an appli-

cant's eligibility under sub. (3) (e), (g) 1., (i), (im), and (j) for a license issued under this section. The department may not disclose information that it obtains under rules issued under this paragraph except to a sheriff under par. (b) 3. or sub. (9r) (b) 2. or (11) (d) 3.

(9r) EMERGENCY LICENSE. (a) Unless the sheriff knows that the person is not qualified for a license under sub. (3) (a) to (g) or (i) to (s), a sheriff may issue a license under this section to an individual who does not satisfy the requirements under sub. (3) (h) without regard for the waiting period under sub. (9) (c) if the sheriff determines that immediate licensure is warranted to protect the individual from death or great bodily harm, as defined in s. 939.22 (14). A sheriff who issues a license under this paragraph shall notify the department and request an immediate background check under sub. (9g).

(b) 1. Except as provided in subd. 2. and par. (d), a license issued under par. (a) is valid for 120 days from the date on which it is issued and may not be renewed.

2. If the department notifies the sheriff that an individual to whom the sheriff has issued a license under par. (a) does not qualify for a license under sub. (3) (c), (d), (e), (f), (g), (i), (im), (j), (k), (L), (m), (n), (o), or (r), the sheriff shall revoke the license.

(c) A sheriff may waive the fees that would otherwise be required under subs. (7) (bd), (bh), (bp), and (bt) and (9g) (c) for an individual who is applying for a license under par. (a) if requiring the individual to pay the fees would create a hardship for the individual. The department shall promulgate rules specifying the procedures and definitions that the sheriff is required to apply when determining whether an individual is eligible for a waiver of the fees for an emergency license under this section as provided under this paragraph.

(d) A person who has been issued a license under par. (a) may obtain a license under sub. (2) if he or she meets the qualifications specified under sub. (3) and completes the application process specified in sub. (7). A license issued to a person under par. (a) is void if the person is issued a license under sub. (2).

(10) EXEMPTION FROM BACKGROUND CHECK. Notwithstanding subs. (9) (a) and (15) (c), a sheriff shall issue or renew a license under this section to any of the following individuals without waiting 7 days or requesting a background check:

The petition shall allege that the person would pose a substantial risk to others if the person were granted a license under this section.

(b) The sheriff shall file any such petition in the circuit court of the sheriff's county, or if applicable, the circuit court of the county of issuance designated under sub. (2) (c). The sheriff may not file the petition more than 30 days after receiving the person's completed application, unless the person was issued a license under sub. (9r). The court shall allow the person 30 days to file an answer to the petition. The court may hold an evidentiary hearing on the petition.

(c) If the court determines, by clear and convincing evidence, that the person would pose a substantial risk to others if the person were granted a license under this section, the court shall enter an order prohibiting the person from obtaining a license under this section.

(d) If the court denies the sheriff's petition, the court shall award the person costs and reasonable attorney fees.

(e) The court shall expedite any proceeding brought under this subsection.

(am) The department shall maintain a computerized record listing the names of all individuals who have been issued a license under this section along with the information concerning each individual that is provided to the department by a sheriff under par. (a). After entering the information that it receives under par. (2m) (b) 8.

(c) 1. The department and any sheriff issuing licenses under this section shall provide information concerning a specific licensee to a law enforcement agency, but only if the law enforcement agency is requesting the information for any of the following purposes:

a. To confirm that a license produced by an individual at the request of a law enforcement officer is valid.

b. To confirm that the individual holds a valid license under this section, if the individual is going armed with a concealed weapon but is not carrying his or her license document and claims to hold a valid license issued under this section.

c. To investigate whether an individual intentionally falsely swore under sub. (6) or (15) (b) 2., intentionally violated sub. (12) (a), or intentionally made a false state-

ment to a sheriff in connection with the individual's request for an emergency license under sub. (9r).

2. If the department maintains information compiled under this section regarding licensees through the transaction information for the management of enforcement system and a law enforcement officer uses that system in the context of a vehicle stop that meets the requirements of s. 349.02 (2) (a), the law enforcement officer may only obtain information from that system regarding the licensee's status as a licensee for the purposes listed in subd. 1.

immediately inform the sheriff of the county that issued the license of the individual's name and the basis for the notice under subd. 2.

(12) UPDATED INFORMATION. (a) Within 10 days after being charged under federal law or the law of another state with any crime or any drunk driving offense, a licensee shall notify the sheriff of the county that issued his or her license of the charge.

(b) No later than 30 days after changing his or her address, a licensee shall inform the sheriff of the county that issued the license of his or her new address. The sheriff shall provide the individual's new address to the department for inclusion in the list under sub. (11) (am).

(13) LOST OR DESTROYED LICENSE. No later than 30 days after losing his or her license document or after his or her license document is destroyed, a licensee shall submit to the sheriff of the county that issued the license a notarized statement that his or her license document has been lost or destroyed.
