

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa1640/1dn
MGD:jld:rs

November 3, 2003

Mary Lou:

The engrossed also restricts how DOJ may store licensee information (s. 175.50 (11) (am)), limits the circumstances under which, and the extent to which, DOJ may disclose it to a law enforcement agency (s. 175.50 (11) (c)), and requires DOJ to destroy its copy of any application that is approved (s. 175.50 (9g) (e) 1.). Do you want to amend any of those provisions?
