No specific pre topic given

---

**Topic:**

Prohibit carrying on campuses of universities, colleges, or technical colleges.

---

**Instructions:**

Public or Private University, College or Technical College -- prohibit concealed weapons on the campus (building and land adjacent to these buildings) of any public or private university, college or technical college (No LRBA drafted that meets this definition. Prior amendments banned ALL lands owned or leased by a college or university; we just want to deal with the campus setting ... ie: ban concealed weapons on Library Mall or The Terrace, but not on every acre of property that the UW owns or leases).
