Subject: RE: Amendments for concealed carry bill

Yes and yes.

My boss wasn't sure what an appropriate penalty would be. Perhaps, it could be a penalty that already appears in the bill. For example, under the current version of SB 214, what is the penalty for carrying a concealed weapon into a tavern where food accounts for less than 50% of sales? What are some of the other penalties in the bill?

90 days / \$1,000*

Is there a penalty for not complying with the reqmt in no. 1? and does it apply to out-of-state licensees as well?

Hi Mike.

Tom Kelly from Bob Ziegelbauer's office here.

My boss would like to have two amendments drafted to the concealed carry bill. He would like them drafted to whatever version of the bill reaches the Assembly floor. It appears possible that a vote might be taken on the Assembly floor on this proposal this Thursday. Since we don't know which version of the bill will be considered yet, I understand that you won't be able to accommodate our request at this time. I just wanted to give you as much advance warning as possible.

The amendment requests are:

1. An amendment to require licensees to notify law enforcement if they are carrying a concealed weapon when stopped by law enforcement.
