Subject Driving or going armed while using controlled substances		

Assumptions Used in Arriving at Fiscal Estimate

This bill prohibits a person from operating a motor vehicle or certain other recreational vehicles after using certain controlled substances.

It is impossible to predict the number of additional cases that will be filed in the circuit court as a result of this bill. Additional proceedings require additional judge, court reporter, court staff and juror time. These costs are borne by both the state and the county. An accurate estimate of the additional costs is impossible with the data available.
