Assumptions Used in Arriving at Fiscal Estimate

This bill will not materially change the number of cases referred to district attorneys offices. A person who is charged with operating a vehicle or using a firearm in a manner proscribed by this bill would have been arrested because of some action that brought them to the attention of law enforcement and that action would have caused an arrest under current law.

The prosecution and disposition of the case may be affected, but the overall workload of DA offices will not be significantly changed.
