

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3035/2dn
PJK:kjf:cph

August 19, 2003

This version of the draft changes the name of the fund and adds that the contractual rights of health care providers and claimants extend to *all assets* of the fund. This addition was made to address the response to my drafter's note regarding contractual rights in the fund. I have spoken with Mark Adams regarding this change.
