### ***Analysis by the Legislative Reference Bureau***

Under current law, no employer, labor organization, licensing agency, employment agency, or other person may refuse to hire, employ, admit, or license an individual, bar or terminate an individual from employment, membership, or licensure, or discriminate against an individual in promotion, in compensation, or in the terms, conditions, or privileges of employment on the basis of membership in the national guard, state defense force, or any reserve component of the military forces of the United States or this state (military status).

This bill provides that employment discrimination because of military status includes an employer, labor organization, licensing agency, employment agency, or other person refusing to hire, employ, admit, or license an individual, barring or terminating an individual from employment, membership, or licensure, or discriminating against an individual in promotion, in compensation, or in the terms, conditions, or privileges of employment because the individual is or applies to be a
