Hi Peter,

I think this should be a pretty simple request. Sen. Hansen would like a bill drafted which would require the President of the UW-System, along with System chancellors, gain approval from the Ethics Board before serving on any corporate boards for which they receive compensation. Thanks.

Do you want me to wait to redraft the bill until you have decided about your ethics board question?

On a related matter, your request included the chancellors and the UWS president. Was it also your intent to include the deans of the 2-year colleges? (They are the equivalents of the chancellors, but they are called deans, not chancellors.) If so, I will need to redraft the bill to add them.

Hi Lonnie,

My chief of staff wanted me to ask you whether you thought there was enough information in LRB-3571 for the Ethics Board to promulgate rules or if we should have been more specific in detailing exactly how the Ethics Board will arrive at a decision. Thanks.
