

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-2423/1dn
MJL:kjf:pg

April 22, 2003

Please note that I created a definition of “legal description” that cross-references, in part, current law. I included Mark Ludd’s language about an “appurtenance number” in created s. 706.01 (7r) (b), but this term does not appear in current law, and its meaning is unclear.
