

**DRAFTER'S NOTE  
FROM THE  
LEGISLATIVE REFERENCE BUREAU**

LRB-3270/P3dn  
RPN:kmg:pg

December 9, 2003

I did not add the phrase about “properties ... on which ... easements have been obtained” suggested on page 2, line 6, because that phrase is already subsumed in the definition of “Land” in the draft. *See* s. 23.0917 (1) (d).
