Notice of open meetings and public records laws					

Assumptions Used in Arriving at Fiscal Estimate

This legislation requires the Department of Justice (DOJ) to prepare and periodically revise a description in plain language of the effect of the open meetings law and statutory provisions related to public records. The Department of Justice (DOJ) already prepares and updates materials to assist local governments with state laws in these areas.

The preparation of a summary description would impose minimal costs upon the Department which can be absorbed within DOJ's existing budget.

Long-Range Fiscal Implications
