February 13, 2004 – Introduced by Senator HARSDORF, cosponsored by Representatives SERATTI and HAHN. Referred to Committee on Homeland Security, Veterans and Military Affairs and Government Reform.

1 **AN ACT** *to amend* 70.09 (2) (intro.), 70.09 (2) (a) (intro.), 70.09 (2) (a) 1., 70.09 (2)

3 of the statutes; **relating to**: the duties of a real property lister.

Analysis by the Legislative Reference Bureau

Under current law, a county board may appoint a real property lister (lister) to prepare and maintain accurate ownership and description information for all parcels of real property in the county. Under current law, a lister may also provide information on parcels of real property in the county for the use of taxation district assessors; city, village, and town clerks and treasurers; county offices; and any other persons who require the information. Under this bill, a lister must collect, organize, and distribute information on real property records maintained by the county for the use of taxation district assessors; city, village, and town clerks and treasurers; county offices; the Department of Revenue (DOR); and any other persons who request the information.

Under current law, a lister may serve as a coordinator between the county and the taxation districts in the county for property assessment and taxation purposes. The bill provides, instead, that a lister must serve as a coordinator and facilitator among DOR, the county, and the taxation districts in the county for property assessment and taxation purposes.

This bill requires that a lister review recorded real property conveyance documents to determine if the documents are valid, accurate, and complete for assessment, taxation, and parcel mapping purposes. The bill also requires that a

lister create and maintain databases of real property ownership, assessment, and taxation information and to provide for the electronic transfer and publication of such databases to taxation district assessors; city, village, and town clerks and treasurers; county offices; and DOR.
