

**DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU**

LRB-3870/P1dn

January 13, 2004

To Stewart Ewy:

Please review s. 16.07 (1) (b), which I created to deal with any circumstance that might occur after the November 2006 general election; otherwise, the governor and members of the legislature would have no avenue to have their health insurance coverage restored.
