D-NOTE

To Eileen O'Neill:

Article I, section 12, of  
the Wisconsin Constitution prohibits passage of  
a law "impairing the obligation of contracts".

In order to avoid the application of this  
prohibition, we draft initial applicability  
provisions, as a standard practice, that

clarify that the statute in question  
will first apply only to new or  
renewed  
renewed contracts, not to existing

ones. This amendment provides that  
initial applicability. I apologize for  
my earlier omission of it in the bill.
