2003 BILL

Gen

1 **AN ACT ...; relating to:** special distinguishing registration plates associated with
2 the Susan G. Komen Breast Cancer Foundation, and making an appropriation.

X

Analysis by the Legislative Reference Bureau

Under current law, any group or organization may apply to the Department of Transportation (DOT) for designation as an authorized special group. If the application is approved, members of the authorized special group may obtain special distinguishing license plates for certain vehicles, including automobiles and motor homes that are owned or leased by special group members. A fee, in addition to the regular registration fee for the particular kind of vehicle, is assessed for the issuance or reissuance of most special plates.

Before October 2, 1998, authorized special groups whose members may obtain special distinguishing license plates were specifically enumerated in state law. Current law provides that specific enumeration in state law of authorized special groups is limited to those special groups enumerated before October 2, 1998. Members of six special groups enumerated in state law pay an additional annual fee as a tax deductible contribution.

This bill establishes an authorized special group specifically enumerated in state law for persons interested in obtaining special distinguishing registration plates supporting the efforts of the Susan G. Komen Breast Cancer Foundation (Komen Foundation) to eradicate breast cancer as a life-threatening disease by advancing research, education, screening, and treatment. In addition to the regular vehicle registration fee, special group members are required to pay a \$15 fee for issuance or reissuance of the special plates and an additional \$25 annual fee that

BILL

provides funds to the Komen Foundation. The bill requires DOT to enter into an agreement with the Komen Foundation with respect to these funds, and the agreement must grant DOT authority, without fee to DOT, to use any applicable trademark of the Komen Foundation with respect to the special plates. The bill also requires the Komen Foundation to annually submit an audited financial statement of its use of these funds, and discontinues funding if the Komen Foundation dissolves or loses its tax-exempt status under federal law.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
